Mary
Have fun this summer
and leave the boy alone in and just
at the store. I'll come in a while, just
buy a coke every once in a while. Don't forget
to keep an eye on you. Don't forget
we see "Mickey" in just 107 days!
be good and I'll see you next year!

Dedication

Donald B. Cuthbert

"Our chief want in life is somebody who shall make us do what we can. This is the service of a friend."

- Ralph Waldo Emerson

*On the 25th Anniversary of
the B.M.H.S.
Concert Band We
Proudly Dedicate This Yearbook to
Beloit's Own
Music Man
Donald B. Cuthbert*

This year we wish to pay special tribute to our own "music man" Donald B. Cuthbert. Mr. Cuthbert spent the early years of his life in Barron, a small northern Wisconsin town. He came to us during the first year of the concert band.

For twenty-five years Mr. Cuthbert has given countless hours to develop the musical talents of Beloit students; making our band one of the most outstanding in the middle west.

Mr. Cuthbert's life has been full of great accomplishments and honors. In 1950, Stunt Time, his book of band shows, was published. In three years he produced and published six animated band shows. One of the most famous of the animated shows, The Story of Two Alumni, was performed by our own marching band. In 1950, Mr. Cuthbert presented the movies of this show at the Mid-West Band Clinic. Also, in 1950, his system of plotting marching band shows - "Maneuva-Band" - was made available commercially. Mr. Cuthbert presented his precision marching techniques at the Music Educators National Conference in Omaha, Nebraska, in 1957. Our band was chosen as one of four from twelve states to appear at the Music Educators National Conference at the Hilton Hotel in Chicago, in 1959. For six years Mr. Cuthbert was on the faculty at the University of Wisconsin for the Summer Music Clinic. He was a guest conductor for the Wesleyan University at the music camp in Bloomington, Illinois, for the past five years. Every year he judges approximately ten different band contests throughout the middle west. This past April, Mr. Cuthbert flew to St. Louis to conduct a County Clinic-Festival.

These are only a few of the many honored highlights of a memorable career. This is why the BELOITER is dedicated to Donald B. Cuthbert. For he is a man who makes us do what we can and this is truly . . . "the service of a friend!"

- The 'Beloiter' Staff

Board of

MR. CLARE EDDY

Serving as chairman of the Health, Recreation and Athletics Committee and as a member of the Building and Grounds Committee, Mr. Clare Eddy is on the Board of Education. Mr. Eddy is presently President of the Beloit "B" Alumni Club and is a member of the Rock County Board of Supervisors. In his spare time, Mr. Eddy is a great sports enthusiast.

MR. LEO HANSEN

Our faculty plays the most important part in our education. Beloit Memorial High is fortunate to have faculty members who take special interest in each and every student. Not only is this shown in each classroom, but it is shown in their willingness to advise and lead worthwhile activities outside of the classroom. Our teachers are forever seeking higher education, and we, the students of B. M. H. S., are very proud of them in every respect. May the wind always be at their backs.

MR. LEN BRITTELLI
Superintendent of Schools

MR. JOSEPH RHODES
Assistant Superintendent

TO THE STUDENTS OF BELOIT MEMORIAL HIGH SCHOOL:

For some of you, the 1963 "Beloiter" recaptures the activities and memories of your last year in high school. For others, it records your first year with us. For all of us, however, the "Beloiter" catches and expresses the spirit of our school. The hours of study and hard work, the concentration which precedes final examinations, the people, the friendly atmosphere, and the extra-curricular activities which contribute so much to life in the "Purple Knights" castle; - - all of these are recaptured and preserved. The "Beloiter" staff is to be congratulated for doing such a fine job.

Congratulations are extended to the Class of 1963. The Board of Education and the faculty join me in wishing each of you continued success in the coming years.

May you bear the torch of service to your fellow man and to your God.

Len Brittelli

MEMORIAL HIGH SCHOOL Beloit, Wisconsin

THE COMMUNITY

Beloit is an industrial community of approximately 35,000 population, located on the Wisconsin-Illinois state line, 90 miles northwest of Chicago, and 50 miles south of Madison. The principal industries manufacture heavy metal products, such as paper making machines, wood working machines, large pumps, diesel engines, and related items. Other industries include shoe making, machine shops, pattern shops and small foundries. The population is of diverse nationality origins, including about 7% negroes. The economic level is somewhat above the average for mid-west industrial communities. Beloit College, located in Beloit, offers important contributions to the cultural level of the community.

THE HIGH SCHOOL

Memorial High School is a comprehensive three-year senior high school. It is accredited by the North Central Association of Colleges and Secondary Schools. The 1962-1963 enrollment is 1785. Five curriculums are offered to meet the various needs of these students. The college preparatory curriculum is elected by 65% - 70% of the student body. Approximately 45% carry a fifth academic course each year. The library contains 10,000 volumes and 50 periodicals. Between 45% and 50% of the graduates go on to further education. Nearly 40% enter upon courses leading to academic degrees. The remainder enter nurses training, apprentice courses, vocational schools, trade schools, etc. Minimum graduation requirements for college preparatory students are:

English—4 units
Mathematics—2 units (elementary algebra and plane geometry)
Science—2 units (biology and chemistry or physics)
Social Studies—3 units
Electives—5 units

GROUPING

Students are grouped into three levels in all required and some elective courses in grades 9-12 in order to provide better adjustment to their academic abilities. The bases for grouping include intelligence tests, reading level, performance on an educational levels battery, grade point average, and teacher and counselor recommendation. The high group, identified on the permanent record as "Honors", includes approximately the top 20% of each class. Memorial High School is one of the original group of high schools participating in the NCA Superior and Talented Student Project.

Other special groupings are also established. Elementary algebra is offered to a group of selected eighth graders in each junior high school. For these, the ninth grade mathematics course is plane geometry. French and Spanish are started in the lower grades; consequently, a student's high school foreign language record may begin with the second year of a course. PSSC physics is limited in enrollment to a select group of seniors whose background in mathematics and science is strong. Each year a group of superior seniors are given the privilege of taking a college course at Beloit College, under the joint sponsorship of the Beloit College Porter Scholars Board and the Memorial High School Honors Committee. These courses are recorded on the high school transcript as college courses, with the appropriate credit value, but without high school credit. The college credit, however, is transferable.

THE FACULTY

There are 82 members on the faculty, of whom 60 have earned academic credit beyond the baccalaureate degree, and 37 hold at least the Master's degree. Their educational background includes attendance at at least 58 universities and colleges located throughout North America, England, and India. A teacher-pupil ratio of 1-22 has been maintained for some years.

RANK IN CLASS

All grades of all students are included in determining rank in class, weighted as recommended by the joint committee for NASSP and AACRAO. Values allotted in computing grade point averages are: A=4, B=3, C=2, D=1, F=0. The rank in class includes the first seven semesters. All classes meet for 55 minute periods.

ROYAL B. EVERILL
Principal

OLE G. KVITLE
Ass't Principal

To the Class of 1963: -

May we congratulate you upon the completion of the high school phase of your education. This is an important milestone in your work of providing yourselves with the best qualifications for the adult world in which you must shortly take your places.

It is encouraging and gratifying to hear reports from colleges and universities all over our country that high school graduates are coming to them each year better prepared for the work which faces them. We know that many members of this graduating class share in this excellent evaluation. Not only have many of our past graduates received honors in the finest colleges and universities for their studies there but on numerous measures of achievement and relative progress, the members of the class of 1963 stand far above the average in relative performance.

The class of 1963 has set high standards of performance in their academic studies, participation in intramural activities, personal conduct and moral qualities, and in their service to their school and community. The record in high school speaks loud and clear for this class.

Congratulations -- and an outstanding future for you!

Sincerely,

Office Secretaries

Deloris Fast

Helen Garman

Sylva Rasmussen

Morning, noon, or night, the office is busy. In a school as large as ours, there are many things to be done. Records must be kept, telephone calls must be answered, research must be done, questions must be given answers, and problems must be solved. Accomplishing these things would be rather difficult if we were minus our office staff. Sincerely, we at Beloit Memorial High School are appreciative of the dependable office secretaries.

Cafeteria Personnel

Mrs. Stresemann, Mrs. Partridge, Mrs. Karow, Mrs. Kammerer, Mrs. Olson, and Mrs. Dorst.

Beloit Memorial High School is very fortunate indeed to have a cafeteria. Our cafeteria is under the Federal School Lunch Program. This program sets a certain pattern for the meals we have, which lowers the cost of the meals for the students. As part of this program we receive certain amounts of food from the government at a lower cost.

Miss Thompson, assisted by six full time cooks and twenty students, prepares on the average of 500 meals a day for the students at B.M.H.S. The milk bill runs approximately \$1500-1600 a month. Over a school year the cafeteria handles \$55,000-60,000 worth of food and services.

The activities of B. M. H. S. profited both the school and the students this year. There is an activity for every interest. Student Council solved many problems. Junior Theatre did a tremendous job on their annual school play. The Future Nurses continued their work at the hospital. The Incentive, much improved this year, kept all well-informed. The newly organized science club opened new horizons to its members. These are just a few of the clubs, but all the clubs are for all the students and are well organized and excellently supervised by the faculty.

FUTURE NURSES

Dave and Sue were chosen as Mr. and Miss Activities by advisors to various clubs and organizations throughout the high school. They were selected not only because they belonged to many clubs and organizations, but because they were active leaders in each and every activity that they participated in.

SCIENCE CLUB

INCRESENT

Throughout their three high school years they have displayed great leadership and dependability. They are responsible students and always willing to work hard.

Badger Boy's State

Left to Right: Bill Anderson, Dave Remmele, Bob Brown, Dave Crow, and Gary Gafke.

The purpose of Badger Boys State is to give the citizens of Badger Boys State an opportunity to participate in the actual operation of a democratic form of government.

Badger Boys State was divided into seven counties and twenty-seven cities. The governmental activities were then divided into state, county, and city governments. Conventions, elections, and meetings were held in each order of these governments. The boys that were elected to state offices, including the governor, were sworn into their respective offices by Wisconsin State officials. The Governor of the state of Wisconsin was also present at the ceremonies.

Also, while at Badger Boys State, we were given the privilege to attend at least one of the following schools: law, parliamentary law, civil service, peace officers, and community development. Each of these schools was conducted by a man informed in the field in which he taught. On the fourth day of schooling we were given an examination on the previous three days work. Those who passed this exam were given a certificate stating that they had successfully completed their schooling in their chosen field.

In the early afternoon there were special activities. This included athletics and a recreational program, music, and tours. The athletics included football, basketball, track and tennis. There was competitive play between cities in each sport. On Friday they made a tour of the Ripin' Good Cookie factory and the Speed Queen Washing Machine factory. On Sunday they attended church services.

As Badger Boys State citizens, they were able to participate in various governmental activities such as voting, attending conventions, meetings, party caucuses, and holding office. They were able to meet boys from all sections of Wisconsin and to participate with these people in the many activities of Badger Boys State.

They had the opportunity to meet and associate with outstanding leaders, to hear excellent speakers and acquire valuable ideas. It was a privilege to live on the Ripon College campus and see the different buildings and meet and hear college leaders like Fred O. Pinkhas, President of Ripon College.

Badger Girl's State

Beloit Memorial High was represented at Badger Girl's State this year by Dawn Berg and Mary Beth Hertenstein. The alternates were Joanne Tremulis and Laurel Beadle. These girls were chosen on the basis of service to their school, grades, leadership ability, and personality.

The citizens of the state of Badger studied government for a week at the University of Wisconsin, learning how to become better citizens later on in life. The week was climaxed by the election of Governor, Lieutenant Governor, Secretary of State, Treasurer of State and Attorney General; and a trip to the capital building where a legislative session was held.

This experience was sponsored by the American Legion Auxiliary and other interested service clubs.

D.A.R.

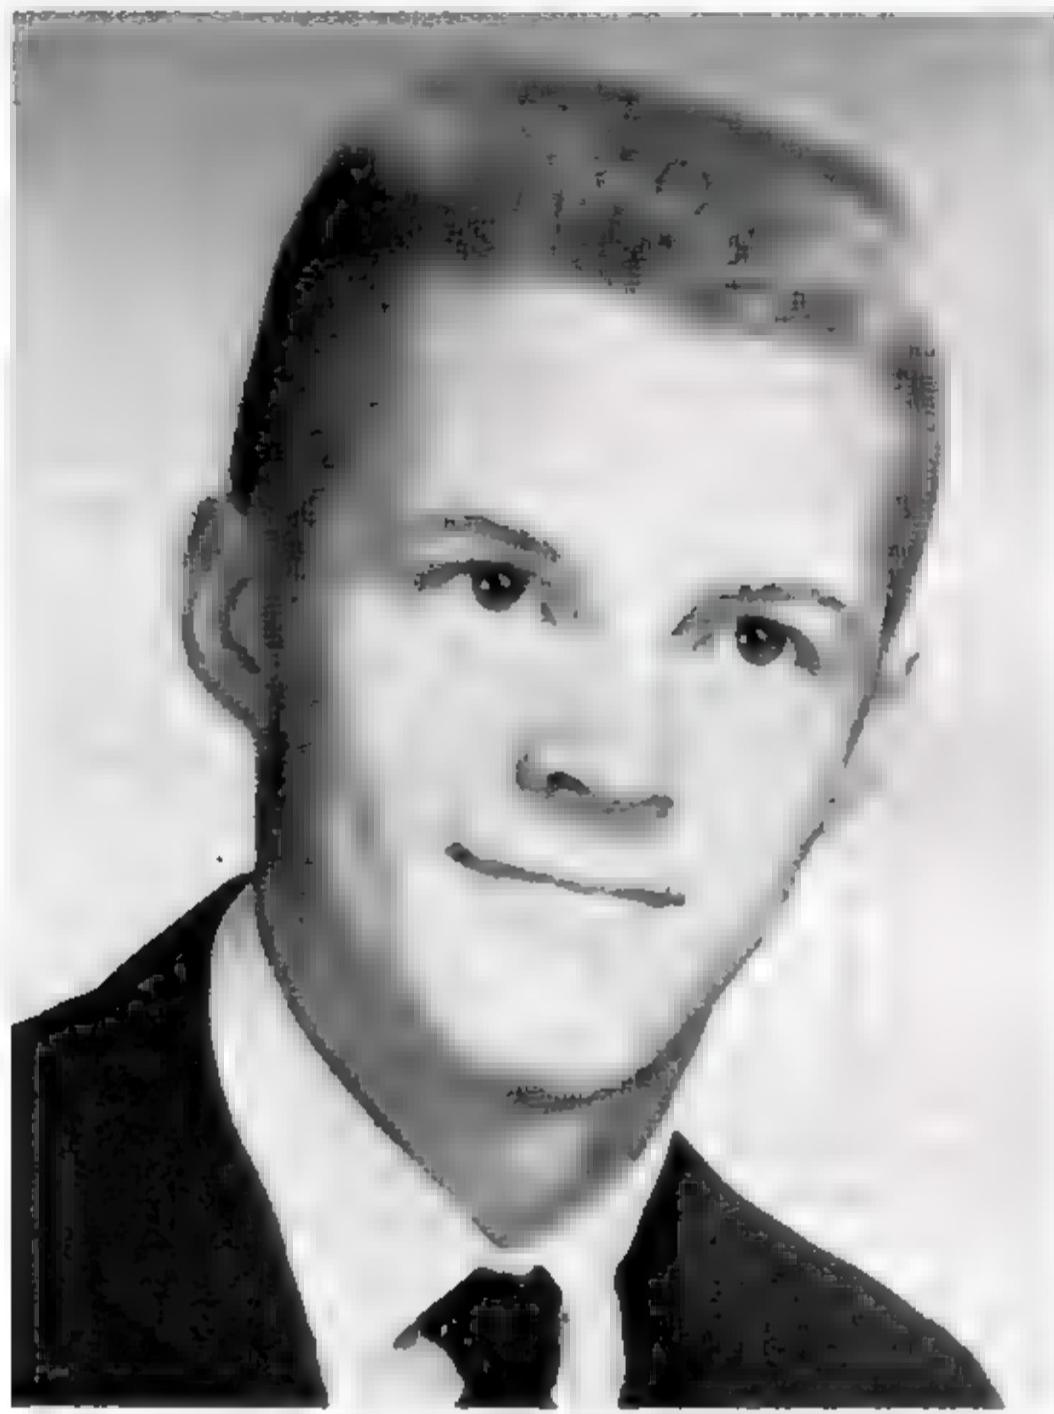

Each winter the Daughters of the American Revolution pick out one outstanding senior girl for their D.A.R. award. The adult group is made up of descendants from the fighters in the Revolutionary War. This award is a great honor to receive, and the girl picked this year is very deserving. Linda Jo Gjestson, the editor of the BELOITER, was judged on the basis of dependability, service to her school and community, leadership, and patriotism. The senior class voted by ballot and the top three girls were submitted to the faculty. Linda Jo, being the winner, had her name given to the state contest, along with one girl from almost every high school in the state. They answered questionnaires, and then the state winner was entered into the national contest.

Linda Jo has been very active in Quill and Scroll and has been on the student council. As editor of the BELOITER, she has done a great deal of hard work, besides having a part-time job in our community. Linda Jo was on the homecoming court all three years, and last year, besides being co-chairman of the decorations committee, was an attendant for the Junior-Senior Prom Court.

Linda Jo's plans for the future are undecided.

WASC President

During the fall of his junior year, Jerry Gunderson was installed as State Student Council President at the annual convention, and Beloit Memorial High is very proud of the great honor he received. This is the first time Beloit Memorial High has been fortunate enough to have a member of our student body hold this high state office.

As president of the Wisconsin Association of Student Councils, Jerry has had many conventions to attend and many duties to perform. The most important of his duties was securing all of the discussion leaders for the WASC convention this past fall. Naturally, Jerry was the presiding officer at this convention.

During his term of office, Jerry attended three state conventions, presided at all board meetings, and attended four district conventions. He represented Wisconsin at two national conventions in Janesville, Wisconsin, and San Gabriel, California.

During February of his junior year, Jerry flew to Colonial Williamsburg, Virginia, for four days to attend the Williamsburg Student Burgess. The topic for discussion was "The Role of Excellence in a Free Society."

Jerry turned over his gavel this past fall at the Wisconsin State Student Council Convention. It was an exciting and eventful year for Jerry, and we are all very proud of him.

Student Council

OFFICERS: David Meives, President; Bill Thomas, Treasurer; Ruth Peterson, Secretary; Tom Witte, Vice-President.

Student Council, the student government of our high school, has, through the years, collected and introduced many ideas which are now traditions in our school. An outstanding example of this is the annual pep rally and bonfire before the last football game of the season with the Janesville Bluebirds. Projects sponsored by Student Council are: a foster child, Mary Pelardi; Homecoming; Midget-Homecoming; the Janesville Pep Rally; the Student-Faculty Banquet; the selling of school supplies; and the many dances held on Friday and Saturday nights. The committees of Student Council are: Dance, Concessions, Publicity, Constitution, and Activities.

The Beloit High School Chapter of Quill and Scroll, an honorary organization for high school journalists, is one of the oldest chapters in the state of Wisconsin. Beloit has held its chapter active since 1934. The members of Quill and Scroll must be in the upper third of their respective classes and only juniors and seniors are admitted upon recommendation by a journalism advisor.

There are twenty-four members at Beloit High and they hold their meeting on the first Tuesday of every month. They have various social activities, and a publishers' banquet at which awards are given to the outstanding members. Field trips are taken during the spring of the year. These trips are to newspaper buildings so that the members can see how newspapers are put together. The organization also produced a local advertising survey of the community.

During the year, Quill and Scroll engages in an annual writing contest. Subjects from which members may choose are feature, news, editorial, and advertising. Also, a current events test is given locally and the winner is sent to the national chapter headquarters of Quill and Scroll.

Handling the layout of an issue of the INCRESCENT are (from left to right) editors Michael Bentz, Edward Branigan, Edward Parker, Marva Wieck, Richard Hayward, Carolyn Brooks, and Sarah Strong, and advisor Elwood Karwand.

Members of the INCRESCENT staff added much in terms of journalistic contributions to the high school and the Beloit community during 1962-1963. During the summer, editors attended summer workshops at the University of Wisconsin and Northwestern.

A new format to the paper was inaugurated in the first issue distributed to all students on August 31. The paper changed size to become a tabloid style newspaper. Layout was contemporary and took on a greater variety. Photographs were larger and improved as was the writing.

In addition to publishing sixteen issues of the school paper, editors attended the National Scholastic Press Association Conference in Chicago and the Wisconsin High School Editor's Conference in Madison. Staff members contributed to the "Lockers Overhear" column and wrote articles for the United Givers Fund Drive, American Education Week, and Brotherhood Week, that appeared in the Beloit Daily News.

As a paper, the INCRESCENT waged campaigns supporting Brotherhood Week, auto safety, and the drive to help eliminate tuberculosis from our society. It also co-sponsored the production of the annual Publications banquet held April 30.

Editorial Staff

Quill and Scroll

Editors traveled to the National Scholastic Press Association Convention held in Chicago over Thanksgiving vacation. Attending were Steven Raymer, Dick Hayward, Sarah Strong, and Marva Wieck.

The newspaper actively participates in the student journalism programs of the National Scholastic Press, International Quill and Scroll, and Columbia Scholastic Press. The paper is semi-annually rated by these service organizations.

Won Governor's Cup

Holding the "fruit of labor," the Governor's Cup, is Marva Wieck, managing editor of the INCRESCENT. Marva Wieck won first place in a story competition at the 35th annual high school editors conference held in late October at the University of Wisconsin. Several other editors also attended the conference.

Staff Activities

Staff workers are active in Quill and Scroll. Pictured are as follows: Donna Rotschka, Pat Mdnna, Dick Hayward, Carolyn Churches, Demi Mueller, Linda Jo Gjeston, Edward Branigan, Marva Wieck, Sarah Strong, Pat Benedict, Pat Williams, Carolyn Churches, Mary Beth Krueger, and Linda Galliano.

One initiation is performed at the annual Publication Dinner at which the winner of the Swannack Trophy for outstanding service to the paper is also announced. Gold and Silver medals are given for superior achievement in feature and news writing.

Art Staff

Typists

The production staff types articles for the INCRESCENT and the business department makes sure that all advertising accounts balance. Shown working are Barbara Olson, Linda Wilson, Sally Deale, Dorian Mueller, and Carolyn Churches

Working on art layouts for the INCRESCENT advertisements are William Washington, James Zentz, Cheryl Peterson, Patsy Duncan, Nellie McGinnis, Nancy Hannewall, and Susan Capps.

Proofreading

Checking an issue as it rolls off the press at Beloit Lithography are John Harrison, shop worker, and Mary Jane Taylor, David Remmelle, and Davie Crow, sports staff workers.

Advertising

Advertising workers service the accounts carried in the paper. Shown discussing the George Brothers' ad are Miles Carlson, Dianne Stevens, Terry Sladky, Penney Garrison, Mr. George and Marcia Friedich. The advertising department services over 50 local and national accounts averaging some 125 column inches per issue. Over 90% of the art layout work is done by the students.

FRANK MOSCOGIURI

After living and studying in Denmark during the last summer and the first semester of this year, I can relate to you many different Danish customs and traits which would seem peculiar to Americans.

But much more than that, I can tell you of my Danish friends and how much like us they are.

This realization that people - laughing, crying, singing, dreaming, living, and dying - are still people like us, no matter what the language or land (alongside a greater love and respect for America) is probably the greatest thing I received from this experience.

I realize that AFS can work no wonder for world peace, but I do hope that within our lifetimes the family of man, by getting to know each other, can break down the barriers of prejudice and misunderstanding to have one final and lasting reunion.

For this wonderful experience, thank you.

Randy Sharpe

Dear Teachers and Friends of B.M.H.S.:

My year with you has been so great that it seems like a dream. In fact, that is what I would believe it is if I had not spiritual fulfillment I am going to carry back with me to Spain, and which will endure for ever and ever as a fact of love between nations and peoples.

I know that it has been created by you

With my appreciation and affection,

Marie-Estella Hurtado

Writing this letter I realize once again how close the end of my year is. Saying goodbye to everybody is, in truth, one of the hardest jobs I ever had, because I know that I'll never see again most of the people who made this a wonderful and unforgettable year for me.

I will remember you for your kindness toward me; there was always someone glad to help me. Your friendship made things so much easier, especially at the beginning, when the language and the way of your people were all new to me.

Your love, kindness, and friendship has made me understand and like your people and country. To all of you, my American friends, I want to express my most sincere Thank You

Gianfranco Moscogiuri

A wonderful family, many friends, and the knowledge gained about a culture different from ours, made my brief summer in Brazil an unforgettable experience.

That a Brazilian family would open their hearts and accept me as a daughter and sister seemed but dream a year ago; but it is a wonderful reality for it emphasizes the truth that all families - all people - want to give, to love.

Person-to-person contact is the best way for people-to-people understanding. I only wish that many more students could have this neat opportunity. It's tremendous - thank you.

This year we are very fortunate to have in our school system Estella Hurtado from Spain and Gioufranco Moscogiuri from Italy. In addition Beloit Memorial High School's Sally Deale spent last summer in Brazil and Randy Sharpe spent a term in Denmark during the first semester.

Students with character, leadership, service to the school, and scholastic ability are chosen by the faculty as members of the National Honor Society each year. Juniors that are chosen must be in the top five per cent of their class, and seniors must be in the top ten per cent of their class. Fifty per cent of the selection is based on their scholastic ability.

The members set up committees to plan different programs for the meetings. They usually have a speaker to enlighten them on various areas and subjects of interest to them.

During the spring the group takes a trip to places that have a great deal of intellectual value.

The National Honor Society is a select group and encourages its members to continue their fine scholastic work.

Hall monitors have several duties at Beloit Memorial High School. They not only aid in eliminating noise and confusion from the halls, but the impression that a visitor to our school carries away with him is often based largely on the courtesy and help extended by the hall monitors. They also provide an errand service for the teachers while they are supervising and checking hall passes during the class periods. The hall monitors, as you can see, are mainly a service to the school and not a club. Therefore, they do not have any officers, but each one of them must have leadership ability in order to do their job.

FIRST ROW, L.-R.: Pat Zartman, Nellie McGinnis, and Barb Robbins. SECOND ROW, L.-R.: Jon Olson, Denny Weeden, and Dan Jenner.

The Young Republicans have been very active this year. During the fall elections they passed out literature for the Republican candidates. They urged the voters in the community to get out and vote; and they provided a baby sitting service for those who needed it. They also conducted a survey to determine the number of people in Beloit who were Republican, Democrat, or Independent. Many of the members attended the Young Republicans Convention in Oskosh during the week of May 24-27.

The Young Democrats, an active group in city politics, was started last year. The group consists of fifteen students who acquaint themselves with politics and are affiliated with the democratic party. Although the regular meetings are only twice a month, they devote much of their personal time to the organization. After attending the reception for Reynolds and other democratic candidates, the members contacted voters and distributed materials. The Young Democrats also had a field trip to the Democratic Convention in Chippewa Falls, Wisconsin, that was not only interesting and educational, but allowed them to see the senior democrats in action.

Future Nurses is one of the most active clubs in our high school.

During the year this club has had many activities; bake sales to raise funds for nursing homes at Christmas, baskets for needy families at Thanksgiving, and field trips to hospitals to see what their future profession might be like.

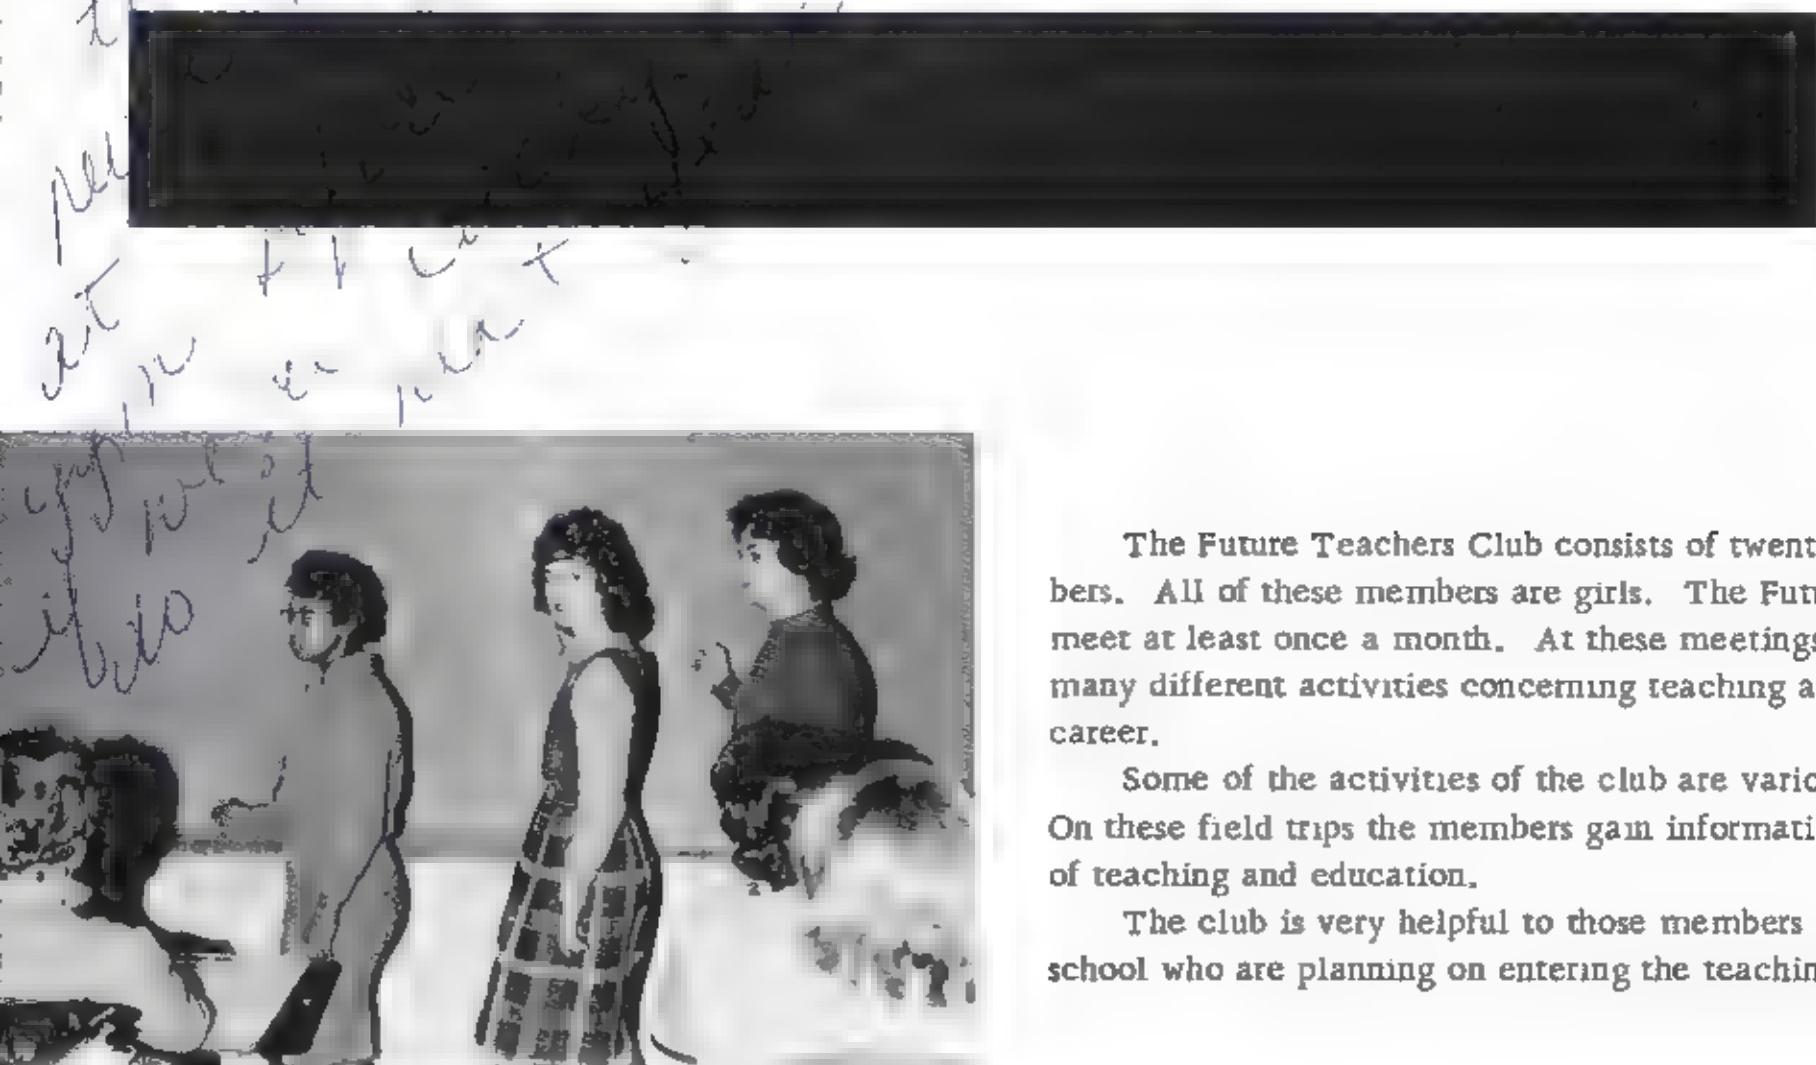

They have a banquet during the year at which they have a panel discussion. They invited their parents to hear professional medical people tell of their jobs and training.

In a few years, girls like our Future Nurses will be responsible for the health of the nations. Experience and training in the nursing field are only two of the many values of this program. Throughout the community, the helping hands of the Future Nurses are appreciated. At Beloit Municipal Hospital, at Caravilla, and at nursing homes in the city, the girls are giving what aid they can. Nursing is a satisfying and rewarding career.

Some of the activities of the club are various field trips. On these field trips the members gain information in the field of teaching and education.

The club is very helpful to those members of our high school who are planning on entering the teaching profession.

The French Club began their year by electing officers who are: President, Pat Williams, Vice President, Mary Watson, and Secretary-Treasurer, Alice Quillen. They meet once a month and activity plans are discussed. Their main social event for the year was the French Club Banquet with a French theme and setting. A Christmas party was also held. The main topic for discussion was a combined foreign language club picnic in the spring. This group develops a greater interest in the French language.

Any boy taking agriculture can join. We have thirty-two members in our school.

The boys have gone through plants pertaining to agriculture, to a Milwaukee Braves baseball game, and attended the State Future Farmers Camp for five days.

The Future Farmers have their own basketball team and receive much enjoyment challenging each other.

During the year they hold two potluck dinners. More and more boys are joining each year and with good programs like these, many will join in the future.

Science Club

Working on an experiment are Bob Stott and Jon Olson.

The Science Club is one of our new organizations this year. The group participated in individual projects as well as group demonstrations. They have prepared several display cases throughout the school year. In the spring they went on a field trip.

They each read Silent Spring. This is a novel concerning the dangers of overuse of insecticides. They then discussed it thoroughly and proceeded to bring to the attention of the community the dangers of these insecticides.

Golf

A clinic on field hockey at the University of Wisconsin is the lead off event for the members of G.A.A., the girls' athletic association.

When winter snow forced the girls indoors, they set up teams and began to work on volleyball and basketball. In March, the annual student-faculty basketball game is played and a trophy is awarded to the winners.

With the melting of snow and the coming of spring sunshine, the girls are outdoors once again playing baseball and tennis.

Throughout the years the girls work for the awards, which are made in the spring.

The sophomores are awarded numerals, the juniors receive letters, and the seniors are honored with a pin. G.A.A. not only awards numerals, letters, and pins, but offers the girls the special award of sportsmanship.

OFFICERS, L.-R.: Dareen Voights, Treasurer, Sally Langrehr, Asst. Secretary; Susan Rasmussen, Secretary; Arlana McOtis, President.

Girl's Bowling is an organization for those girls interested in improving their bowling and having a good time. They bowl every Wednesday after school at the Bowl-Aire bowling lanes. Miss Wilson served as their advisor this year.

Rec. Basketball

Mirror, mirror on the wall, who has the biggest hands of all!

Oops, missed again!

Recreation Basketball is organized by the Beloit Recreational Department. Mr. Jacobson heads this program with Mr. Fruzen as his assistant.

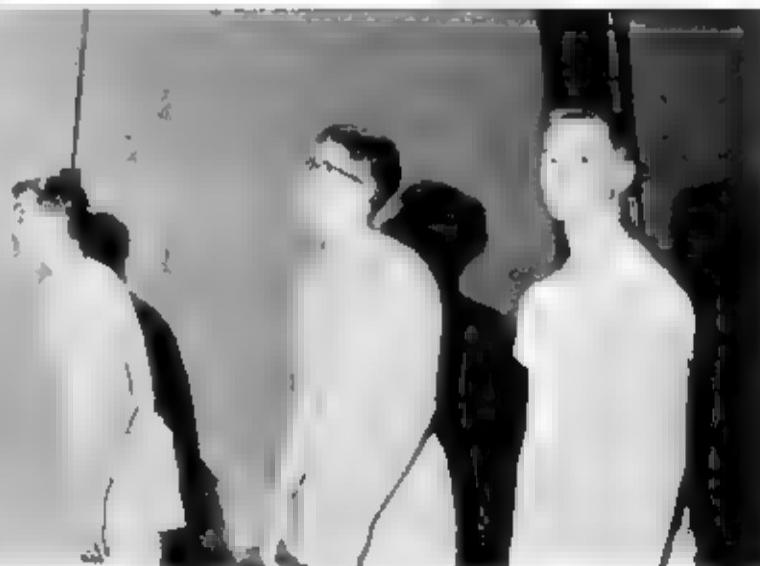

Each class has its own league. The seniors have six teams, the juniors eight, and the sophomores ten.

Any boy who wishes to join a league may sign up in his homeroom and pay a fee of 25¢. The fee is used for medals and awards at the end of the season.

A homeroom tournament is held in March, composed of the "Sweet 16," teams of the combined leagues. All the games are played on Monday and Wednesday evenings during the winter season. The officiating is taken care of by various faculty members.

C'mon, hero, you can't make it anyway!

Ah, shoot the thing!

Homeroom Bankers

There are two students chosen from each homeroom to take care of their banking. There are two all school bankers. The homeroom bankers check the entries in the bankbooks and deliver the money to the commercial office.

The homeroom bankers meet once in the fall at the beginning of the year to receive instructions on the banking procedure.

At the end of the year each homeroom banker is awarded a certificate for helping with the banking throughout the year on every Monday.

During the day their duties include collecting attendance slips, working on the switchboard, delivering passes, and giving tours of the school to new students. Every hour of the school day, three or four girls are helping to make our school run smoothly and efficiently.

The Library Club is a great service to the students of our high school. The members of this club make up the library staff during the day.

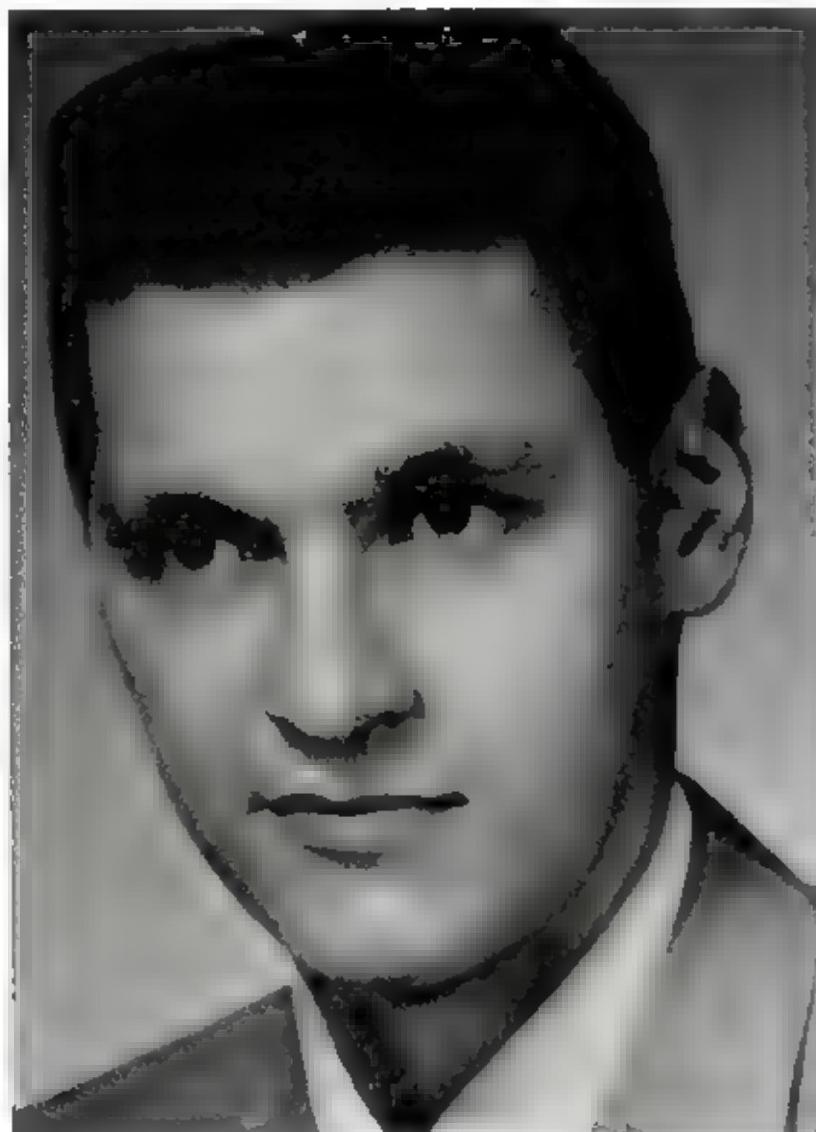

The purpose of this club is to teach students how the library works and give them experience that they can use in the event that they decide to become a librarian in future years.

Each day they record checked-out books. These records are sent to the superintendent of schools at the end of the year. They also send out overdue notices to students who have kept books out too long.

To most people the yearbook is a permanent and detailed record of the school year, but to me and my staff it is different. Of course, it is an exciting and challenging responsibility of presenting the school year in an orderly form so that it will not only be a record, but it will be accepted in a positive manner and appreciated by everyone.

The creativeness of the individuals on the yearbook staff is amazing because this is one area of education where the student not only is responsible for his own work, but creates and plans the entire publication. His most dreaded thoughts from September to June are not only the deadlines and pictures that must be taken and met, but also the fear that his or her fellow students will not appreciate his or her hard work. The greatest lesson accomplished by the yearbook is to teach the student that he is responsible for his actions and that he is representing other people and that he has to think of these other people.

If one can stop for a second and transpose the above yearbook lesson to situations that will be met in later life, then what a valuable experience the high school publication can be to the high school student.

Homecoming, October 12, 1962, was a glorious success. Queen Sue Holloway and her Court looked lovely in the parade, in their pastel gowns. The band provided the colorful music, and the cheerleaders and crowd displayed real enthusiasm, but what really climaxed a wonderful day was the momentous job done by the Purple Knights in Strong Stadium, as they defeated Madison East 7-0.

Homecoming 1962

During the month of October, Beloit Memorial High School went through a week of preparing for the "almighty" Homecoming. In order for Homecoming to be any kind of success it is necessary to have a certain number of items. To begin with, school enthusiasm in the form of class rivalry is a must. About a week before Homecoming the three classes, two or three clubs, and the R. O. T. C. scamper off to some deserted barn to begin the construction of floats, which will later be judged by a Homecoming Committee on the basis of originality, appearance, and color. With a well thought out idea, the senior class led the parade with the float, "Our Angle is to Win," the junior class exhibited a large bird with the slogan, "We'll Deliver a Victory," and of course there were a number of other equally interesting floats.

Another necessary requirement for a successful Homecoming is a Royal Court. Each class selects the two most attractive girls in their class to serve on the court. The sophomores selected Cathy Genung and Linda Eddy, the juniors picked Kathy Pollard and Norma Loga, while the seniors chose Ann Dix and Linda Jo Gjestson. After the court had been chosen the task of electing a Queen presents itself. The whole school participates by voting for one senior girl. Sue Holloway reigned as Queen for the event. Just before the football game, the co-captains, Bill Magill and Kurt Van Galder, crowned the Queen before an enthralled mass of students and adults.

The afternoon of the game, most schools have some form of parade. The purpose of this is to show the town and community what kind of spirit the school has. This is done by displaying the floats. It also gives the fans a chance to see their favorite football player dressed in civilian clothes. Fortunately the weather was magnificent and the parade was successful. At the head of the procession came the crisp and sharp Beloit Memorial High School Marching Band, followed by the coaches. The cheerleaders led the watchers in a number of "rah-rah-rahs", and directly behind these highly-spirited youngsters came the players. In between the players and the floats came the Queen and her court, escorted by the McNeel Rifle Drill Team. Bringing up the rear came the long chain of floats.

That evening, Strong Stadium was filled with a mass of walking mums, underneath which could be found excited young females waiting to hear the results of the float judging and to see the crowning of the Queen. The junior class placed first with their float, followed by Junior Theater's float entitled, "Dial 'B' for Victory," and the third placed float was the sophomores' and their "Beauty in the East." Sitting next to these live mums were the men of Beloit High School. They had come to see our Purple Knights clash with a large and experienced team from Madison East. The game appeared to be a battle of the defenses, with Beloit emerging the victor with John Tobias making the game's only touchdown. Final score Beloit 7, East 0.

That evening, a victory dance made the homecoming complete. The gym had been decorated and converted to a dance floor and Pete Galiano and his band furnished the music.

The day had been a success. The weeks of preparation had ended, and the football players and the float-builders could once again relax.

A perfect fall day for an exciting and colorful homecoming parade, forming at the north side of school. . .

Drill Team Escorted . . .

The McNeil Rifle drill team escorted the queen and her court from the convertibles to the throne. Their uniforms added much color and they were a great asset to the homecoming ceremony. The performance given that afternoon during the parade was extremely outstanding and showed great precision.

Sue Holloway

Sue, not only was this year's Homecoming Queen, but also last year's Junior Prom Queen. "Little Sue" was elected class secretary in her sophomore and senior years, and has been a cheerleader during her three years at high school.

Ann Dix

Ann, a Senior Court member, represented the junior class as an attendant for the Junior-Senior Prom. An active musician in the band, she still finds time for the many school and class activities.

Linda Gjestson

Senior Court member, Linda Jo, has been on Homecoming Court for three years, and was a member of the Junior Prom Court last spring. Ambitious as she is, she was on Student Council in her sophomore year and this year co-editor of the BELOITER.

Norma Loga

Norma, a Junior Court member, was on the Homecoming Court as a sophomore. Norma is always willing to lend that extra helping hand . . . whether it be for her class or the activities of the whole school. She has been an active member of Student Council for the past two years.

Kathy Pollard

Kathy, a peppy, blue-eyed blonde, was on Homecoming Court in her sophomore year. This year Kathy was elected as a varsity cheerleader and secretary of her junior class. She has been in Student Council and on the BELOITER Staff.

Lynda Eddy

Being on the Homecoming Court was a new and thrilling experience for Lynda. She especially enjoyed the afternoon parade. Lynda takes an active part in Student Council and Junior Theater.

Cathy Genung

Cathy's enthusiasm was shown this fall when she was elected as secretary of her sophomore class. It is certain that Cathy will long remember her part in the 1962 Homecoming.

Captured a Victory

Over Madison East

Beloit 7 Madison East 0

Our Purple Knights brought our Homecoming celebration to a very nerve shaking, but delightful victory over Madison East.

Beloit, held scoreless by the Purgolders in the first quarter, finally got on the scoreboard in the second quarter on a 52 yard drive.

Excellent runs by Tobias, Grady and Davidson and superb quarterbacking by Magill delivered the ball to East's four yard line. From there, John Tobias punched the ball over. Bob Champion converted. The Knights led 7-0.

From then on, East stopped our offense and the job of preserving the victory was left up to the unsung heroes of the Knights' defense. Only twice through the second half did East threaten, but both threats ended in failure due to excellent ground and pass defense.

The Beloit Memorial High School Music Department, under the direction of Mr. Cuthbert and assisted by Mr. Gates and Mr. Debruyne, may be proud of their wonderful performances during the 1962-63 school year. Not only does each group in the music department do an outstanding job, but each and every individual has contributed to this fine showing.

DONALD CUTHERBERT

The Music Department

HENRY DeBRUYNE

Experience in music performance can have great impact on the growth, in character, culture, and mental ability of our young people. We believe that this impact is in direct proportion to our ability to recreate in performance the artistic intent, beauty, and meaning of the great composers whose music is one of our richest heritages.

JOHN GATES

Outstanding Bandsman

Maria Zutz Clyde Bachand

The two outstanding bandsmen this year were selected by the Music Department. They were selected because of their musical ability and dedicated service to the Beloit Memorial High School Band. Both of these people are outstanding leaders in their group. They showed leadership, not only during the school year, but also during the summer when they spent many hours of their summer vacation organizing the school drills and movements that would be used by the band during the year. The band motto, "Be there," certainly applied to these two individuals, as Maria was elected "Queen Bee" and Clyde was selected as the King.

Dance Band personnel were engaged in varied activities this year with the Student Council dances after the football and basketball games heading the busy schedule. The 13 piece band rehearsed on Wednesday evenings and played for the Community room dances on Friday nights. Also finding its way into the Dance Band's itinerary were the spring prom dance-parties at Aldrich, Lincoln, and Roosevelt Junior High Schools.

Nine additional instrumentalists, including four French Horns and a Tuba, were added to the roster in mid-February to form a 22 piece Stage Band which played a special engagement at Platteville State College. Spring planning found the band on tap for additional playing dates with the Spring "Pops" Band Concert and at the National Convention of a Botanical Society.

Appearances at four major events in the 1962-63 school year highlighted the Orchestra's musical activities. The Christmas Concert, the winter production of the "King and I," the annual Spring Choral-Orchestra Concert, and the Senior Baccalaureate program were numbered as important musical dates in the orchestra's schedule.

Drill on fundamentals of musicianship and exercises in technical facility during the fall season gave way to the preparation of Christmas music for the annual Choral-Orchestra Christmas Pageant. The Orchestra opened the Christmas tabloid with "Three Songs for Christmas" by Clare Grundman and provided Gerschefsky's Pastorale from the "Classical Symphony" as interlude music. The final "Adoration" scene was enhanced musically by the combined efforts of the massed choirs and orchestra in a setting of "Praise Ye the Lord of Hosts."

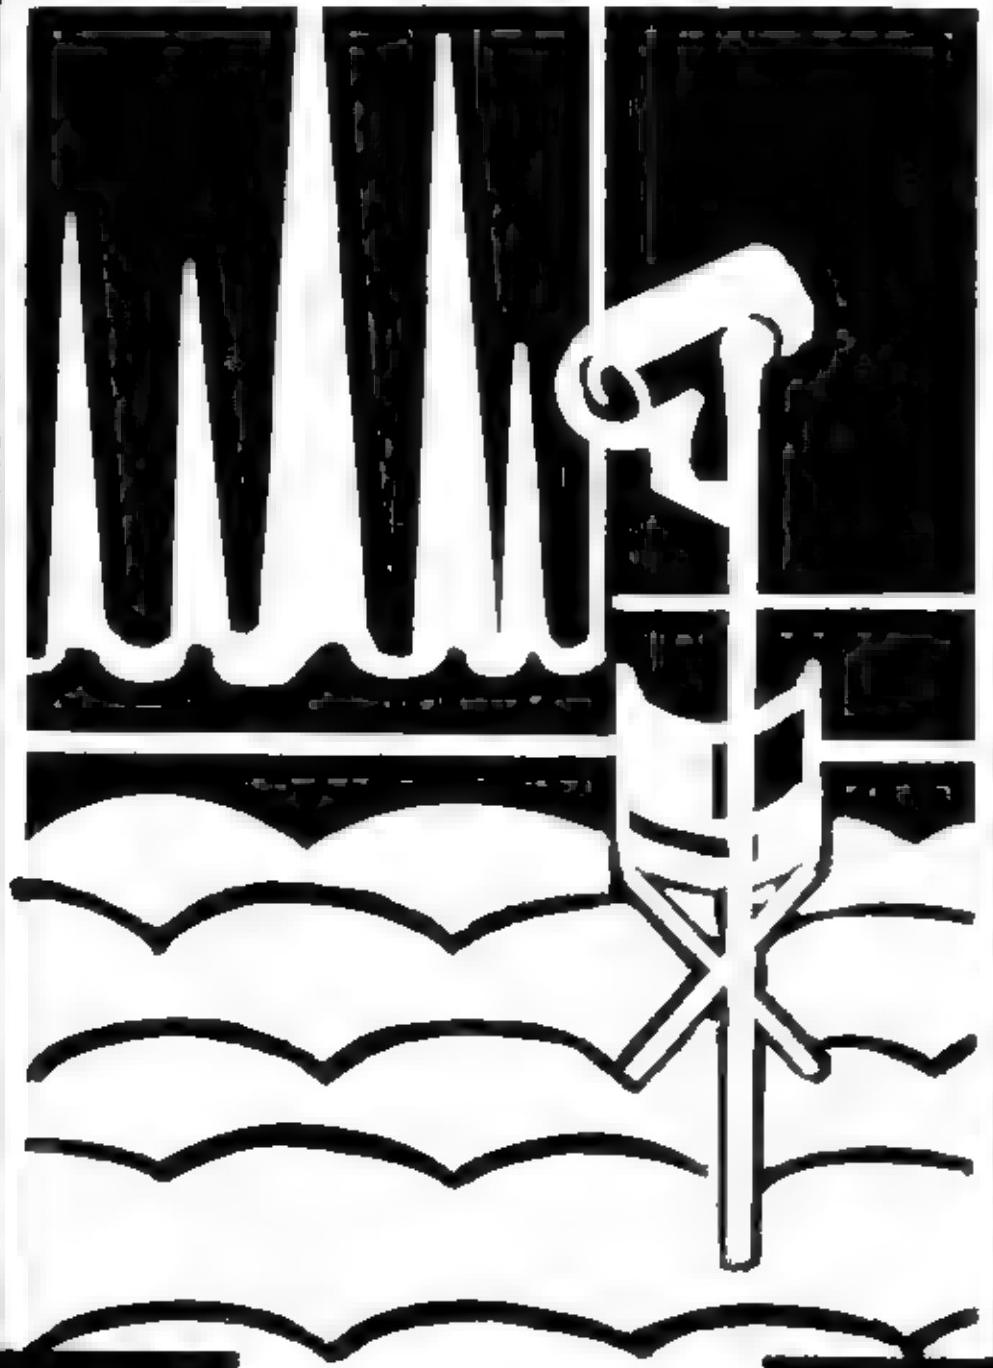

As soon as the closing chords of the Christmas program had ended, the initial planning began for the February production of Rodgers and Hammerstein's "King and I." After school rehearsals entered into the orchestra's busy schedule. Members of the orchestra completed their "pit orchestra" duties in fine style and immediately turned thoughts to the Spring Concert. The overture "Lucile" by Gretry, "Park Avenue Hoe Down" by E. J. Siennicki, "The Great Gate of Kiev" by Moussorgsky, and a medley of Cole Porter tunes arranged by John Wartington keynoted the Orchestra's program.

THE
CROWN

THE CROWN

The dramatic groups, directed by Mrs. Reinholz and assisted by Mr. Voss, performed three outstanding plays this year. The Senior Class Play in the fall, "The King and I" in the winter, and the all school play in the spring were all perfectly cast, excellently portrayed, and extremely well received by all of the appreciative audiences. The school and the city appreciate the fine entertainment provided throughout the year by the Dramatics department.

Mrs. Reinhofsz Head of the Dramatics Department

"The purpose of extracurricular activities in a high school is to afford students an opportunity to use out-of-class time in the pursuit of worth while goals, stemming from the individual student's interests. The dramatics department welcomes all students who'd like to have contact with the stage, in any of a variety of areas. Since actors are generally the only people whom an audience sees on stage, too often all others connected with a production are forgotten. However, whenever a play is about to go into production, the call goes out encouraging anyone interested in any phase of dramatics to indicate his interest by signing up for the committees necessary for the presentation of a polished production.

This is the beginning. Within a week, the research committee meets and jobs are assigned so that cast, stage crew and director will have a background with which to start to work. A few days later the following groups meet to discuss set design, set building, scene painting, art work (for the design and execution of specific scenery), wardrobe, lights, sound properties, make-up, publicity and promotion, ticket sales, house management and ushering. Since each committee consists of from two to thirty people, it's easy to see that the job of putting on the play is concerned with more than a couple of dozen actors (if that many).

No other school activity demands that a larger group of people must work in harmony. Actors, stage crews, and committee members learn that the whole is only as good as the sum of all the individual little parts. We became a very tight, close group on stage. We're working toward a goal which can be reached only if every single individual gives of his best in talent, time and interest. There's never a dull moment, because everyone is very busy. We all learn to allocate our time so that not only the play, but the school work as well, gets done.

As an experiment in democratic living, nothing can beat the stage, for it encompasses a wide variety of students with an even wider variety of interests and abilities. We like to think that the Memorial High School stage fits into this picture."

Most Dramatic

Carol was chosen by the Dramatics Department as the student who had contributed the most to theatre activities in the past three years. Carol played the leading roles in "The Torch-Bearers" and "The King and I," the two major productions this year.

CAROL GUELZOW

"For me, the stage has been high school. A new world opened its doors to me the day I found enough courage to try-out as a sophomore. It has been a terrific experience, and one whose memories I'll always cherish.

Every minute I've spent on the stage has been well worth it. It takes a great deal of time and energy to make a show--as anyone who has worked on the stage can easily verify--but somehow the work always seems to fade into the background with the success of opening night.

Perhaps the most valuable thing the stage has given me is friends. I don't know of another activity in school that unites as many people of various skills all for one cause--for it takes many people, everyone doing his very best, to make a show a success."

Our King and I

Our King and I was the second play
to be presented at the school.
Now we're going to go on
with our King and I. The play
was born of the desire
to give the students the
opportunity to act in
our own school. On February 19
and 20, was The King and I. The play
was co-directed by Mrs. Reinholz and Mr.
De Bruyne. They both did a spectacular
job in putting this play together.

A great deal of time and work went
into this play—the right costumes had to
be found or made, properties had to be dug
up, the right type of lighting had to be
worked out, set construction, sound, make-
up, hair arrangements, publicity, and
ushers also had to be taken care of and
completed before the play.

The art staff was really put to work—
screening posters and programs, making
and painting scenes, etc., etc., etc. All
these things were under the direction of

All students who participated in the play did a marvelous job. The leading parts were held by Carol Guelzow, who portrayed Anna; Dwight Werle, who played the part of the King; Gheryl Kantor, Lady Thiang; Marjorie Rabe, Tuptim; and John Sheahan, Lun Tha. All of these leading characters in the play did an outstandingly fine performance.

The turn out for the play was not surprising, for it seemed like every seat in the house was filled and the response from the audience was overwhelming.

The Debate and Forensic groups in Beloit Memorial High School did an outstanding job. Mr. and Mrs. Whisler spent countless hours with their students and made Beloit a city well known for its fine Debate and Forensic organizations.

Debate Instructors

MR. WHISLER

MRS. WHISLER

In the past two years our debate squad has reached a high point of achievement. Mr. and Mrs. Whisler have been responsible for this high attainment.

Both Mr. and Mrs. Whisler participated in debate during their high school and college years. Mr. Whisler became interested in debate and public speaking in his junior and senior years of high school. During his first two years at a junior college in Iowa, he was on the debate team that won first place in the state tournament. He also won superior ratings at this state tournament in extemporaneous speaking and original oratory. At the State College of Iowa, Mr. and Mrs. Whisler were debate partners on the team that won second and third ratings in the state tournament, during their junior and senior years.

Too often students misunderstand speech and debate. Speech is not merely the sounds one makes. It involves the finding of ideas and expressing them with confidence in the precise manner only training and experience will enable you to do.

Our debaters spend many hours preparing for their meetings and tournaments. Debate involves research, organization, thought, and the evaluation of the problem that they are confronted with. They must then prepare sufficient evidence to support their position. In presenting the material they found they must be able to draw conclusions in supporting the various problems that they are faced with in their debates. The central value of debate is gaining the ability to understand the reasoning processes: inductive, deductive, and causal.

Debate is one of the finest activities we have in our high school. A comment by President Kennedy in 1961: "I think debating in high school and college a most valuable training ground for politics, the law, business, or for service on community committees . . ."

Best Debater

Richard Androne

Richard Androne was chosen "Best Debater" by the Debate Department.

He was the captain of the squad this year thus putting in a great deal of effort and hard work towards making it a successful year for the Debate squad.

He attended summer school at the University of Wisconsin this last summer and gained knowledge and more experience in this field.

He is a dependable debater and does a fine job against his opponent. Richard is only a junior and will be debating again next year.

State Series Team

L.-R.: Cinthia Fritz, Charlotte Ross, Dick Androne and Don Ewald.

The above students were chosen as the top four debaters to compete in the state tournaments. They must win at the district and sectional meets before they would be eligible to compete at the state tournament.

In debate:

- The student learns to express his thoughts more effectively.
- The student gains an increased desire to learn.
- The student's knowledge becomes synthesized, meaningful, and functional.
- The student learns efficient research methods.
- The student works with others like himself.

The R. O. T. C. has added much to our school year. They demonstrated great precision marching in our Homecoming Parade last fall. Their Military Ball was a great success. The excellent training our R. O. T. C. boys experienced will remain valuable to them throughout their entire lives. The *Esprit de Corp* that Captain Moran and his staff instilled in their men this year did not remain in the R. O. T. C. classrooms, but was carried throughout the whole school by their men.

The year 1962-63 was an enjoyable one for the coaching staff of Beloit Memorial High School. They observed their teams fine season with many new trophies added to the showcases, victories to the win columns, and many boys developed into men.

Beloit 27 Madison Central 0

Our Knights refused to let a first half of rain hamper their conquest of the downtowners. After taking the opening kick-off, the Knights marched up field to Central's 38 yard line. On the next play K. C. Jones blasted over center for an 83 yard touchdown run. Later Beloit took over and on passes from Magill to Van Galder the Knights moved. It was climaxed by a 35 yd. TD pass to Van Galder. Only second half TD was by John Tobias.

Beloit 7 Madison West 28

The Knights six game winning streak was finally broken. All-State Halfback was put out of action on Beloit's fourth play from scrimmage and Beloit never really got back into the game. Jones' replacement, John Graly, showed promising style and power as he led Beloit with 32 yards in nine attempts. Beloit's only touchdown in the fourth quarter, when halfback, Oscar Bond, returned West's kick-off for an 87 yard scamper. Bob Champion converted for the seventh point.

Beloit 18 Rockford East 7

East received its first and quarter on a 45 yard touchdown pass when they were literally stalled by Beloit's tremendous defense and Beloit was behind 7-0 at the half. The second half found a more perfected group of Knights. On 4 yard plunge by K.C. the ball was fumbled, was recovered in the end zone by fullback John Tobias. Our second touchdown came on a 22 yard scamper by Howie Davidson. Then Jones got into the act with a four yard smash. East never threatened again.

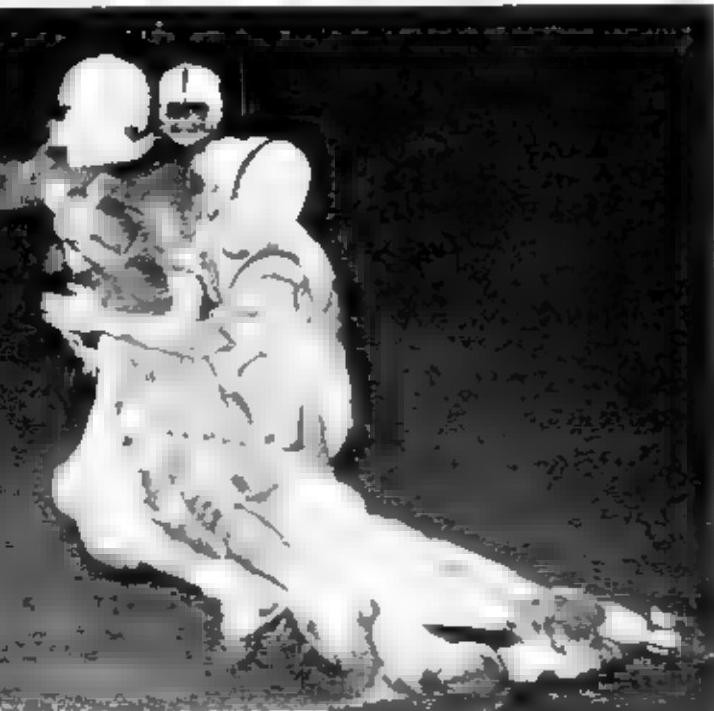

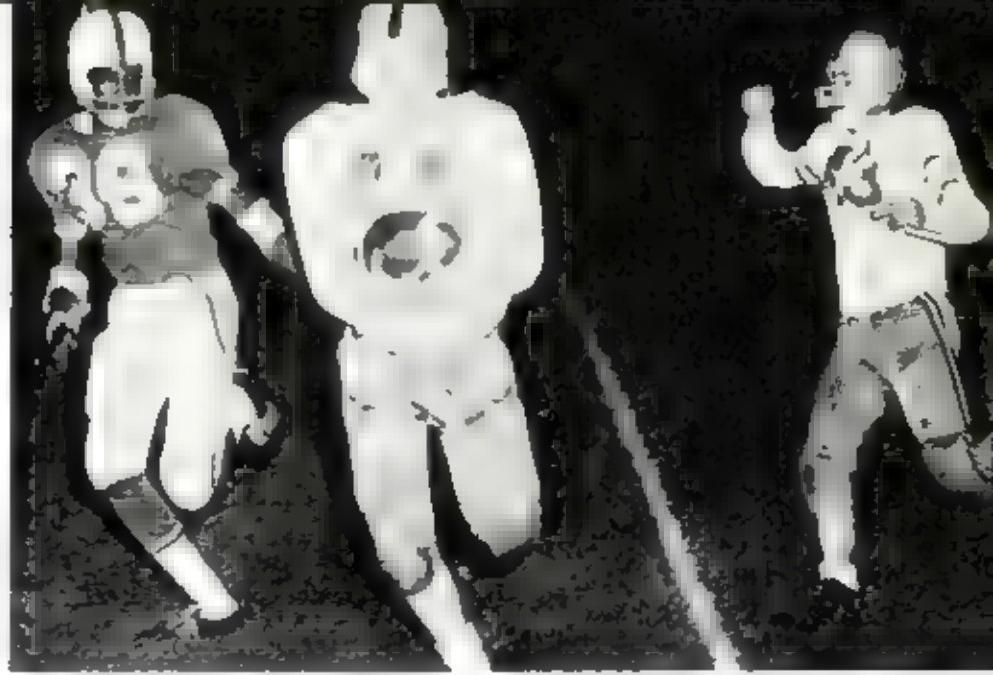

Beloit 14 Racine Horlic 0

In our first home game of the Season the Purple Knights shut out the Rebels from Racine. Beloit's defense held Horlick to less than 100 yards. K. C. Jones scored the two touchdowns for Beloit on short runs in the first and second quarters. Bob Champion converted for the two extra points. Late in the third quarter Beloit's offense fumbled the ball on the 10 yd. line of the Rebels. With minutes remaining Jerry Kenny intercepted a pass which ended Horlick's only serious threat of the day.

Beloit 7 Madison East 0

Beloit, held scoreless by the Purgolders in the first quarter, finally got on the scoreboard in the second quarter on a 52 yard drive. Excellent runs by Tobias, Grady, and Davidson and superb quarterbacking by Magill delivered the ball to East's four yard line. From there, John Tobias punched the ball over. Bob Champion converted. The Knights led 7-0. Only twice did East threaten, but both threats ended in failure due to excellent ground and pass defense.

Beloit 21 Kenosha 0

The Knights 21-0 victory gave them their first win over Kenosha at Beloit since 1952. The first quarter was a battle of the defenses. The Knights were held to only one first down, while the Red Devils were unsuccessful in getting a single first down. In the second quarter Magill hit Van Galder which brought the ball to the 15 yard line of Kenosha. Tobias plowed up to the 1 foot line and Magill slipped over, scoring his first touchdown of his varsity career.

Beloit 7 Racine Park 6

The Purple Knights victory margin over Racine Park was Bob Champion's third straight extra point kick of the season.

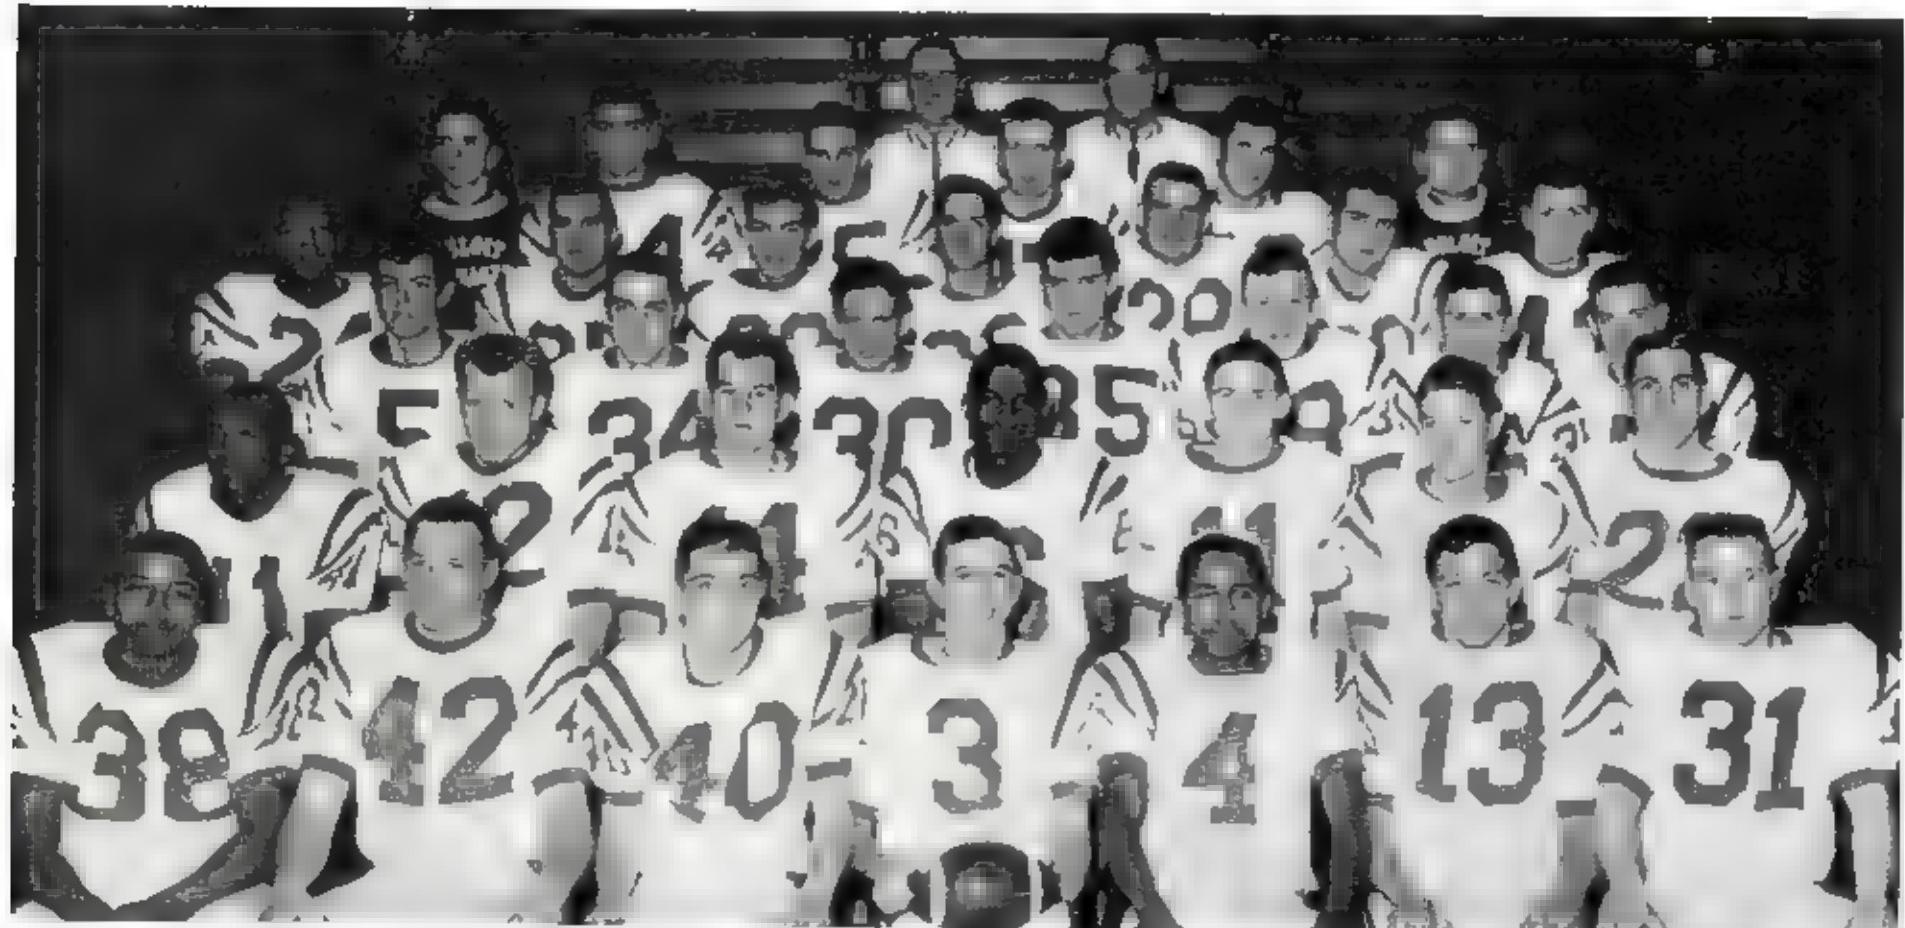

Beloit's only touchdown came in the first quarter on a magnificent 69 yard run by fullback Mike Heikkinen. In the second half, it seemed as if it would be a carbon copy of the first half. A missed extra point left the Knights ahead. Through the remainder of the fourth period Park started down field for what looked like apparent touchdowns. But key defensive performances held Park in check till the final gun.

Beloit 27 Janesville 0

In the first half of play against Janesville both teams failed to score, even though Beloit penetrated deep into Janesville three times. The second half got under way with the Knights gaining 55 yards in 14 plays. Van Galder caught a Magill pass and ran 41 yards to score. Our final score came after Junior Kenney's interception. Then Don Elliott dashed 45 yards for the TD. Bob Champion completed 3 out of 4 conversions for a season record of 13 out of 15.

The sophomore football team from the beginning provided many thrills and gave signs of exciting football to come at Beloit High. Defeating Rockford East 14-7 with a fine second half effort, they provided some fine play all the way through to the Auburn game when they scored two quick touchdowns to tie as the game was ending.

They finished second in the league to Kenosha who defeated them in the final 40 seconds of the game.

CHARLES BABCOCK

10th in the State

Our team this year was greatly handicapped by lack of depth and also by a lack of boys with talent for distance running. We were unable to field a B squad for the major share of the meets and this will seriously handicap us in the future. The team showed some improvement over the previous year with Charles Babcock doing outstanding work. We need four others like Babcock in order to have an outstanding team.

The wrestling season was a fairly successful one due to a group of spirited boys who stuck out the entire season.

The team was primarily composed of underclassmen, and certainly benefited from the experience gained by wrestling against many schools in the area. Next year's team, we hope, should profit from this experience.

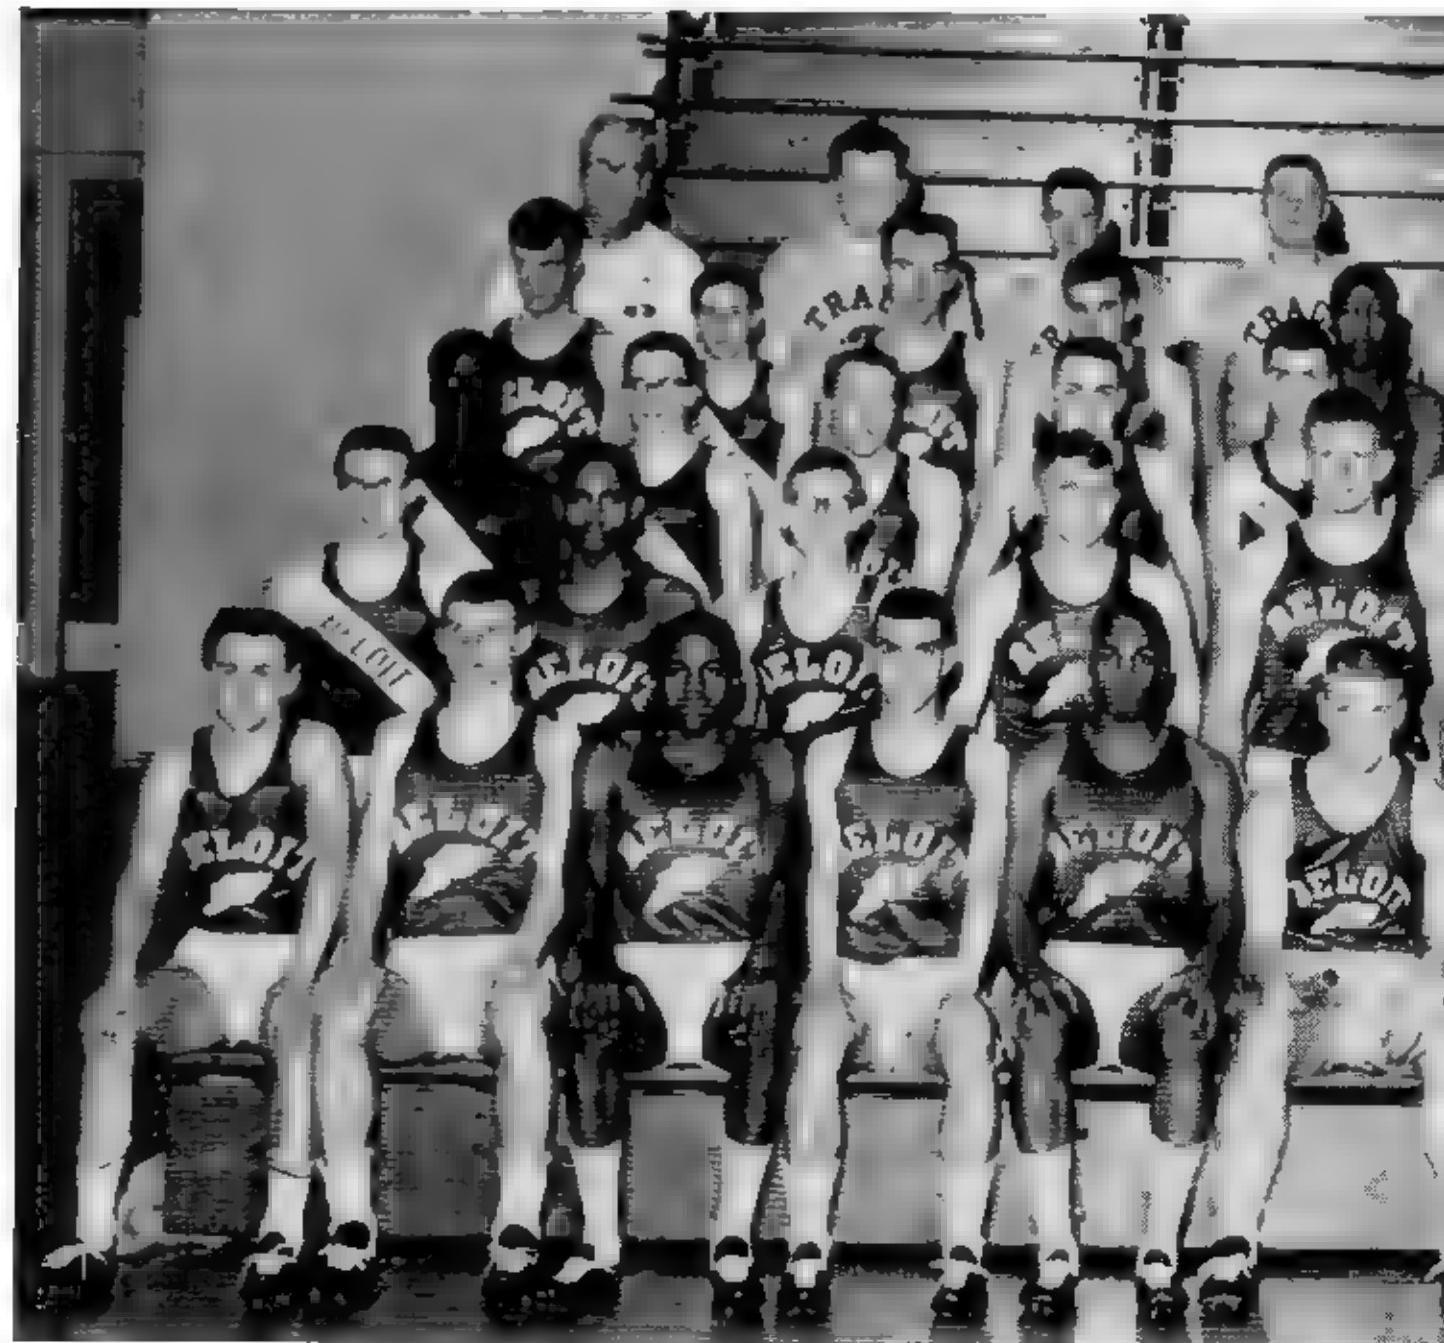

The year did not include many victories, but with a tie with Madison West and a victory over Guilford High School of Rockford, the prospects for next year seem very promising. Beloit also went to the Clinton regionals. Beloit walked away with the victory over the five other schools competing. The regional meet also qualified seven boys for the sectional tournament at Stoughton. One of the seven, Gary Stults, went to the state meet held at Madison.

Head Coach Paul Nee and Assistant Coaches Julius Pellegrini and James Eberhardt will have eleven lettermen back from last year's team. The prospects look good for a greatly improved Beloit track team. Another encouraging factor with this year's squad is the fact that all of this year's team, except seven seniors, are underclassmen.

BIG EIGHT CHAMPS FOR 1961-1962 SEASON
THIRD PLACE IN STATE TOURNEY

The Purple Knights won the Big "8" Championship with nine wins and no loses. Whitey Gilbertson and Gary Gonfiantine divided the pitching assignments.

They opened the season with a 10 to 0 shutout over Rockford West. Gary Gonfiantini allowed only one hit and Gilbertson pitched the last two innings and allowed 1 hit. Jim Buroker hit 2 home runs. Beloit's next game was with Racine Park and Beloit defeated them 2 to 1, behind the 3 hit pitching of Whitey Gilbertson, who struck out 9 batters. Next, we played Janesville and the game was called because of darkness and replayed later. The score was knotted at 3 apiece. The Knights defeated Madison Central 8 to 0 behind the 4 hit pitching of Gilbertson who struck out 10 batters. Gilbertson drove in 5 runs and Mathewson 2. The next foe was Janesville and the knights defeated them 2 to 1, behind the 5 hit pitching of Gonfiantini who struck out 11 batters. Beloit played Park at Park and defeated them 11 to 2 behind the 6 hit pitching of Gilbertson. Mathewson and Wright were the batting stars of this game. In the next game, the Knights had their hitting shoes on and beat Madison West 10 to 3, getting 13 hits. Gonfiantini allowing 5 hits. Kenney, Heffel and Wright hit home runs. Gilbertson shutout Madison East 5 to 0 allowing only 1 hit. Beloit played Rockford Auburn in a non-conference game and defeated them in nine innings 8 to 5. Beloit scored 3 runs in the last inning to win. Gilbertson was the winning pitcher in relief. Jerry Kenney hit a 2 run homer in the ninth to win it for Beloit. Gonfiantini shutout Janesville 4 to 0 with Buroker setting 3 hits for the Knights. Gonfiantini defeated Madison East 7 to 2 to win the Big "8" Title for Beloit 2 years in a row.

Beloit played Clinton in the Orfordville district tournament and defeated them 5 to 0 behind the 1 hit pitching of Whitey Gilbertson.

The Knights defeated Monroe, 9 to 1, for the District Championship. Gonfiantini allowed only 3 hits and struck out 13 batters. Wright, Kenney, Lee, and Merlet were the batting leaders. Beloit played Racine Horlick and defeated them 9 to 0, with Gilbertson getting credit for the shutout. Buroker and Tracy were the batting stars.

Beloit played Janesville for the District playoff and defeated them 6 to 3 with Gonfiantini pitching a 2 hitter. Gilbertson pitched the last inning. Gonfiantini hit a homerun to help his own cause. Jerry Kenney went 3 for 3 and Buroker went 2 for 4.

The Knights played Baraboo at the sectional at Monona Grove. Gilbertson threw a 2 hit shutout and struck out 12 batters in winning 3 to 0. Kenney drove in 2 runs for the Knights.

Beloit and Waunakee played for the Championship. Gonfiantini had a 2 to 0 shutout going until the last inning and then lost his control. An error, 1 hit and 2 walks gave them a run with one out. Gilbertson came in relief for Gonfiantini and struck out the next 2 batters. Buroker had 2 doubles to pace Beloit's attack.

Beloit Advance to the State Tournament at Eau Claire. Whitey Gilbertson pitched a 3 hitter and struck out 12 to win 4 to 0. Kenney had 2 hits to pace the Knights.

Beloit played Eau Claire in the semi-finals and lost 2 to 1 in a very close ball game. Beloit led 1 to 0 until the 3rd inning when Eau Claire scored 2 runs. Gonfiantini pitched a fine game even though Beloit lost.

The leading hitter on this year's team was Richard Gilbertson with a .455 average, and was selected Most Valuable Player. Jerry Kenney batted .348. Jack Merlet was elected team captain.

Sophomore Cheerleaders

Sophomore cheerleaders are chosen by the faculty and the varsity cheerleaders. They are selected on the basis of their ability to cheer in front of a crowd and originality of the cheers. Neatness and personality are also important in the selection. This year's sophomore cheerleaders have done an excellent job and we hope they will be back next year as varsity cheerleaders.

BELOIT 42

The Knights' opener found them with only 15 points in the first half to East's 25. The boys did better in the second half, but the E-Rabs one game experience held out; and the final score was 44-42, but a foul gave East two more points. Dave Crow led the Knights with 11 points.

BELOIT 71

The Knights defeated the Regents soundly in their conference opener. The Regents were supposed to be the Knights' biggest problem in the conference. The Knights were led by all-conference guard, Jerry Kenney, who poured in 31 points.

BELOIT 40

Beloit's victory over Madison West apparently took too much out of our gladiators. It just wasn't Beloit's night. We lost two of our starters in the first half, Jim Vance, due to an ankle injury, and Jerry Kenney because of fouls. We were just too weary to keep up with Auburn's own Knights.

BELOIT 49

Beloit repeatedly lost the ball out of bounds on bad passes. We finally got half way on the right track and defeated Kenosha's Red Devils by 11 points. Kenney was held to 14 points, but was still high scorer for Beloit.

BELOIT 82

Beloit walked to an easy victory over Monroe. The Cheesemakers were down only 6 points at the half, but had their troubles in the second half with three starters fouling out. This proved to be their most serious downfall. Jerry Gunderson led the pack for Beloit with 17 points.

BELOIT 82

In Beloit's third conference game of the '62-'63 season, the Purple Knights gave Madison East a severe beating. Junior Kenney led the Beloit attack with 28 points.

BELOIT 80

Beloit won its fourth straight conference game by defeating the Downtowners. Beloit led 45-38 at the half. Jerry Kenney was high for the Knights with 26 points.

BELOIT 67

A fired up team of Park Panthers handed Beloit its first conference defeat of the season. Late in the fourth quarter the Knights tried a come-back, but the margin was too great. Big Bob Brown and Junior Kenney led the Knights in scoring 16 points each.

BELOIT 60

Still hurting from their defeat the night before, Beloit once again got down to business and stopped the roving Rebels on the Fourth Street gym. David Crow was the pace-maker for the Knights with 19 points. Jerry Gunderson and Jim Schmidt followed with 12 and 11 points respectively.

With cries of revenge, Racine Horlick, led by All-Conference Gary Pinnow, came within a hair of stopping the visiting Purple Knights. Beloit held large leads until the middle of the third quarter, when Horlick began to press the attack. Juggling Jim Schmidt scored 17 points for Beloit.

BELoit 65

Beloit lost this heartbreaker in the final 7 seconds. It was the third non-conference game that the Knights dropped in the hands of an Illinois team. Dave Crow led the Knights with 20 points. Luckily this was our last Illinois game.

BELoit 66

In one of the Knights' most important battles of the season, the Knights downed their traditional rival. The Knights overcame a mild fourth quarter slump to defeat the "Birds." Big Bob Brown led the Knights with 21 points.

BELoit 60

The Downtowner's hopes for a share of the Big Eight title were smashed, and at the same time the Knights maintained their own Big Eight lead. Jerry Kenney led the Knights with 25 points.

BELoit 73

The Knights could manage only a 28-27 lead at the half. In the second half, the Knights displayed their usual good ball and strongly increased their margin. West could not keep up to our fast break and all hopes of an upset happily faded. Jerry Kenney led in scoring with 23 points.

BELoit 77

The Knights had trouble subduing the Red Devils who were a fast improving team. The Knights finally ran them out of gas scoring seven straight points in the fourth quarter. Kenney led the Knights with 30 points.

BELoit 52

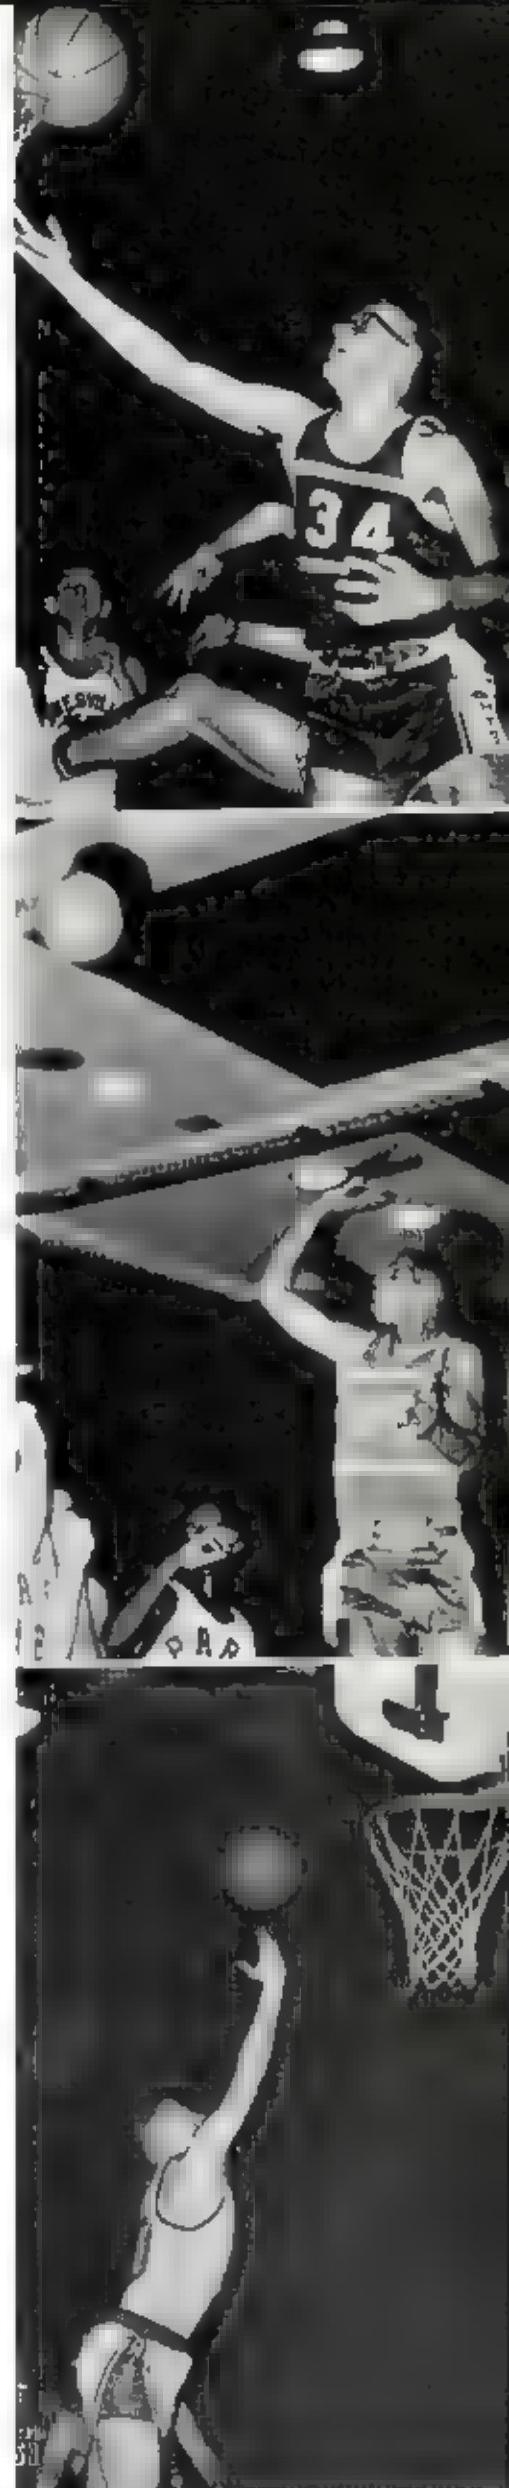

A game that should not have been lost gave Beloit trouble throughout the entire game. At the half East was leading 26-25. At the beginning of the second half Beloit found their usual form, but with three minutes to go they witnessed the fading of a ten point lead. In the final seconds, they were stalling for one basket. Beloit shot a little too soon, and Hackbart completed a desperation shot to upset the Knights.

BELoit 58

Foul trouble spells definite defeat for the Knights when they are on Jerry Kenney. Park led 32-27 at the end of the first half. The Knights fought back in the second half. It was 60-55 in favor of Park when a brawl broke out. The technical free throw and a basket by Crow were not enough. Crow led the Knights with 18 points.

BELoit 77

The Knights' last conference game ended on a happy note. With a Racine Park loss and a Beloit victory the Knights were Big Eight Co-Champs. Beloit never was in any danger from the Bluebirds. Shooting a nifty 48% the Knights, led by Jerry Kenney's 20 points, gained a victory over their rival Janesville.

The sophomores finished an 11-7 record for the season. During the course of the season they scored a total of 1026 points. This gave them an average of 57 points per game. Their opponents scored 932 points, an average of 51.7 points per game. The sophomores finished 4th in the league behind Racine Park, Madison East, and Racine Horlick. Madison West, Madison Central, Janesville, and Kenosha trailed in that order. Their conference record was 8-6. This team shows promise of developing into a fine varsity team in the coming years.

Best of
luck to a
real swell
Junior.

(Remember
the Junior's
will be
swell next
year too!)

I'll see
you next
year. (Tuff
luck!)

Many new doors were opened to the sophomores, high school being a completely new experience for them. They took their new steps well in stride. They are a large class and the school day had to be lengthened to overcome the crowded conditions. They showed much ambition and school spirit in the various activities throughout the year. The class of '65 has laid down a successful path to carry them through their next two years.

Class Officers

Left-Right: Frances Kressin, Vice-President; Cathy Genung, Secretary-Treasurer; Pete Ciaramita, President.

As sophomores of Beloit Memorial High School, we have enjoyed and participated in many of the school activities.

We opened the school year by electing our class officers. They are as follows: Pete Ciaramita, president; "Butch" Kressin, vice-president; and Cathy Genung, secretary-treasurer.

October 12 will long be remembered by the sophomores because our class float 'Beauty and the East', placed third. We were represented on the Queen's Court by Lynda Eddy and Cathy Genung. The evening was climaxed by a victory over Madison East.

We are proud of the many victories of our sophomore football and basketball teams.

We are an enthusiastic class, looking forward to our junior year at Beloit Memorial High School.

Cathy Genung
Secretary-Treasurer

I didn't leave R.

Mary, ^{Adm'g Schuster}

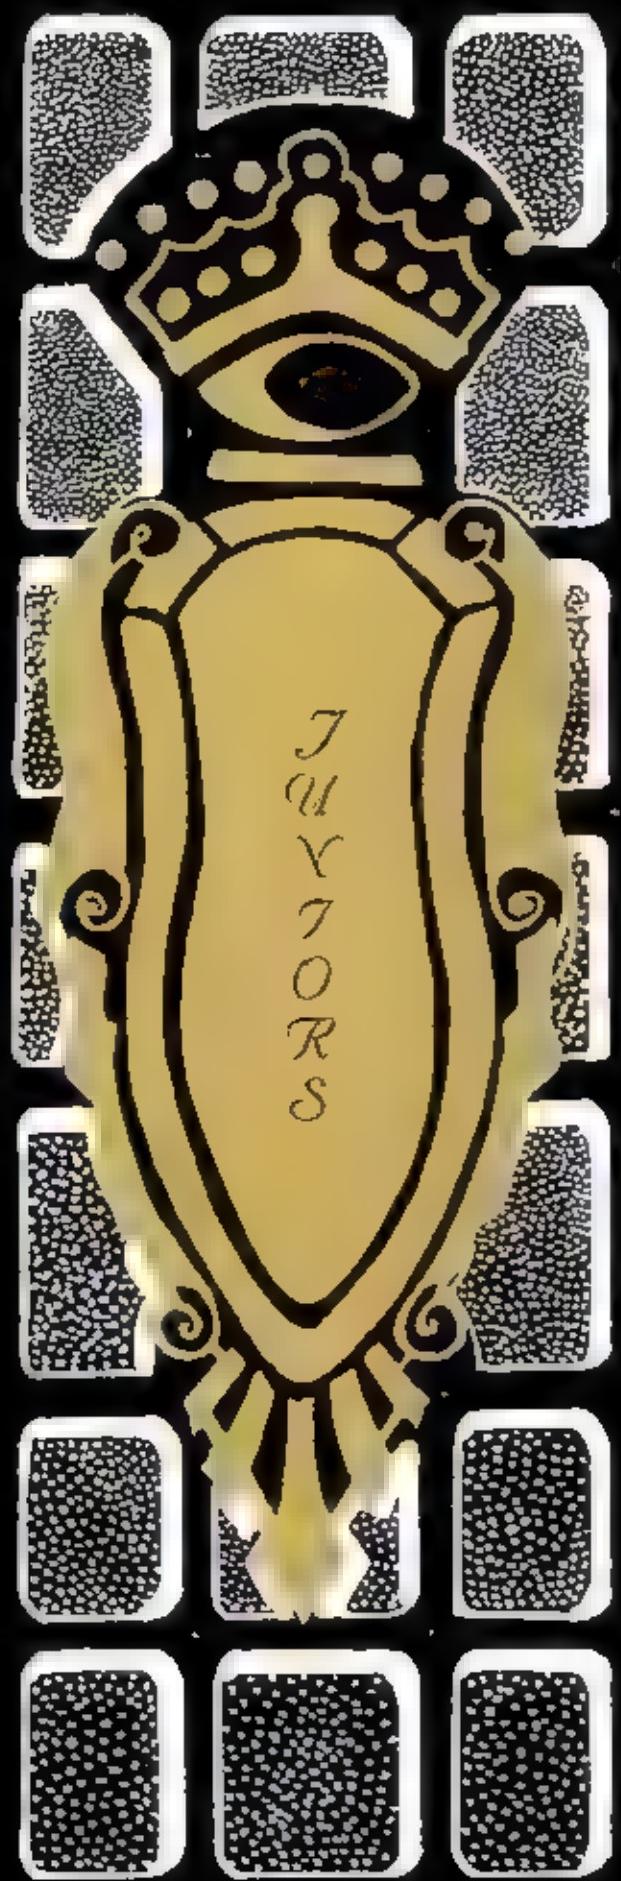

Hi, see you next
year. Remember
we are the usuals.
(Mickey's that is.)
See you at 8203.

Keep talking. I need
help. Hope to be in your
classes next year.

Mary - Kos's of
such no one?
you do. See
you next year
one last.

Say, Wayne

It has been a busy year for the juniors. In the fall they received their class rings. During the year they wholeheartedly took part in all the activities of the school. In the spring they worked on the very successful Junior-Senior Prom. The juniors are a fine class and will do an outstanding job in their senior year.

Class Officers

Left-Right: Dwight Werle, President; Kathy Pollard, Secretary-Treasurer, John Christian, Vice-President.

The Class of '64 elected as class officers: Dwight Werle, president; John Christian, vice-president; and Kathy Pollard, secretary-treasurer.

Homecoming 1962 will always be remembered, especially since the "Knights" won our Homecoming game. We chose Norma Loga and Kathy Pollard as representatives on Queen Sue's Court. Our class float 'We'll Deliver A Victory' again won first place because of many hardworking juniors.

We are very proud of our athletic teams and the students that back them. We hope our slogan "You Get More With '64" will be proven true next year.

There are many things and people that have made our past two years happy, or at least memorable, for us. As we leave our junior year, we are looking forward to an even more eventful senior year. The Class of '64 hopes to make itself remembered as one of the most active classes in the history of Beloit Memorial High School.

Kathy Pollard

Kay 3

The graduating class introduced many new projects for Commencement Capers. They sold decals, sweatshirts, pom poms, and had the annual Christmas tree pick-up. The friends they have made and the good times they have shared can never be replaced. After June 7th, which will be remembered with mixed emotions, the class of '63 will be spread out from coast to coast taking many fond memories with them. Yes, "The Best Class Will Be Free In '63."

Mary
I can't wait too much longer
because we're gonna have to go
to the same place in
now. But good luck in
future of life

Graduation will soon be here
As we near our closing year
Happy memories of days gone by
That we shared at Beloit High

Teen-age dances were so much fun
Football games we lost and won
McDonald's Drive-in was do or die
They're all part of Beloit High

Meeting in the hallways between each class
Riding home after school
All the exams we didn't pass
The teacher we could never fool

High school picnics and senior day
Filled with laughter all the way
But in secret our hearts will cry
On the day we say good-bye
To Beloit High*

Mary -
I sure wish we could have gotten together more this year. I hope I see ya more this summer. We can do something together ok?
The Best Always
Your pal -

JOHN HARTER

*Boy
and
Girl
of
'63*

MARVA WIECK

The "Boy and Girl of '63" are John Harter and Marva Wieck. John and Marva were chosen by the Beloit Staff for outstanding service, leadership, and citizenship to their fellow students and the community.

John has been very active on the Student Council. He has spent many hours working and planning various projects throughout the year. He served as City Chairman for the March of Dimes campaign this year, and did an outstanding job on it. He was, also, President of the Young Republicans Club. For the past three years John has been active in American Field Service, Debate, and Forensics.

Marva has been very active in journalism all three years at Beloit Memorial High. This year she served as Editor of our newspaper, *The Crescent*. She was President of Quill and Scroll and Vice President of Young Democrats. In her junior year she was chosen as a member of the National Honor Society. Last fall she won the Governor's Cup at the Wisconsin Editor's Conference for high school newspapers and yearbooks.

We of the Beloit Staff, feel that these two fine seniors deserve the honor of being our "Boy and Girl of '63."

The Beloit Staff

Co-Valedictorians

MARY JANE TAYLOR

Mary Jane has maintained a scholastic average of 4.000 throughout her high school career. She has been a member of the National Honor Society for two years and served as Secretary-Treasurer in her senior year. Mary Jane has worked hard on the newspaper, in Jr. Theatre, in Future Teachers, and in Young Democrats.

DAVID REMMELE

David has maintained a scholastic average of 4.000 throughout his high school years. He has been a member of the National Honor Society for two years, and was chosen to be a representative to Badger Boy's State in his junior year. He has been active in athletics, ROTC, Quill and Scroll, the newspaper, and Science Club.

Salutatorian

CAROL SCHRODER

Carol has maintained the high scholastic average of 3.967 throughout her high school days. Carol has been very active in G.A.A. all three years of high school. She has been an outstanding student in the commercial field, and plans to attend Prospect Hall, a secretarial school, this coming fall.

Class Officers

Left-Right: David Crow, Vice-President; Sue Holloway, Secretary-Treasurer; Bill Anderson, President.

The great class of '63 is making their final appearance at Beloit High, but we'll never forget the people and events which made our class what it was. We began the year with our homecoming float, "We're Angled to Win." Homecoming will long be remembered by all because of our victory over Madison East. Ann Dix and Linda Jo Gjestson served as attendants on Queen Sue Holloway's Court. We have carried on many activities throughout our junior and senior years in order to raise money for Commencement Capers. The senior class play, "The Torchbearers," proved to be a great success and it displayed our class' acting ability. We are very proud of our varsity football players, for they tied for first in the Big Eight Conference. Through the foreign exchange program Sally Deale visited Brazil and Randy Sharpe was able to go to Denmark.

As we approach the end of our senior year our thoughts are on the future. All of us will be going our separate ways, but with us will go the memories of the past three years we have shared together at Beloit High.

Enough praise could not be given to all of the people in our community that help the administration, the faculty, and the students of Beloit Memorial High School. Let us make sure that when we are citizens and graduates that we do as fine a job for our school system as the following people have done for us.

A great future for you in the

GIANT PAPER INDUSTRY

When you're thinking about your future, your career, keep paper in mind. It offers great and challenging job opportunities. Papermaking is almost 2,000 years old, so it doesn't get sensational headlines. But paper, in a multiplicity of forms, is essential to daily living; and the paper and allied products industry ranks astonishingly high among those which make up our nation's economy. It employs more than half a million people . . . has total assets exceeding nine billion dollars . . . and net sales of over 12 billion dollars a year. Moreover, it is one of America's most vigorous growth industries. In paper sales, research, science, and engineering there may be a great future for you! Write for free booklet, "Growth With an Exciting Business," which gives job descriptions and a list of scholarships available. Address: Paper Industry Career Guidance Committee, 38th Floor, 122 East 42nd Street, New York 17, N.Y.

BELOIT MEMORIAL HIGH SCHOOL

November 21, 1962

Education is Part of Thanksgiving Holiday Aims Neglected

Most students in our high school think that they know the purpose of Thanksgiving—to provide two days of vacation and to be thankful for "something". But what is this "something", is it the two days of vacation?

Originally the Pilgrims had the holiday to give thanks to God for seeing them through a hard, first winter. Today, however, in our heated home and with an abundance of food, it is no longer a bitter struggle to last until spring. Thus, we now have other "somethings" to be thankful for—that we live in a free society and that our basic needs can be fulfilled; to name two important ones.

As high school students, though, we should also be thankful for our educational system. Not too many years ago the careers and opportunities open to a student were limited. Most likely he would

end up with little education and have to follow his father in dull, routine work on a farm or in a factory. Now, all this is changed.

A student receives a broader and more comprehensive education. He learns more, is challenged, and is better prepared for life. The student graduates from high school with unlimited horizons now before him and as a better, more informed citizen.

This change has been rapid. Every year at graduation Mr. Everill receives requests for extra tickets for a particular family because the graduate is the first person in the whole family line to ever graduate from a high school.

You, a student of BMHS, should be thankful that America does have such a great educational system and that you are a part of it.

ROTC Sponsors Enjoy Positions

The ROTC department of BMHS recently held elections in which four girls were chosen to represent the Corps.

The newly elected sponsor for the Battle Group is Mary Maddelein. A member of the junior class, Mary is vice-president of the Library Club, and is a member of AFS. She also works in the office two hours a day.

Kathy Pollard was chosen sponsor of Company A. This year Kathy is a varsity cheerleader, secretary of the junior class, and a member of the band. Kathy has been on the homecoming court for two consecutive years.

This year Pat Lovell will represent B Company. She became a member of the National Honor Society in her junior year, and is now active in AFS, besides being a member of the band. Now a senior Pat is looking on to higher education, and possibly teaching as a career.

Norma Loga will be sponsor for Company C this year. Now a junior, a member of Y-Teen, Suo Deb, and Latin Club, she has been a member of the homecoming court twice.

The girls will represent the cadets of the corps to any persons visiting the ROTC department of the school.

CARRYING THE BANNERS FOR Memorial High's ROTC corps are left to right, Kathy Pollard, Company A, Pat Lovell, Company B, and Norma Loga, Company C. Mary Maddelein, who is not pictured, represents the entire Battle Group.

Beloit Seeks Revenge In Home Opener With E-Rabs

The Beloit cagers will be out for revenge Saturday night when they meet Rockford East in the season opener.

East has humiliated the Knights two years in a row. They coasted to an easy 65-47 victory last year, and

BMHS Will Send Four Delegates to NSPA Chicago Convention

BMHS is sending four delegates—Marva Wieck, Sarah Strong, Steve Raymer, and Dick Hayward—to the National Scholastic Press Convention.

The Hotel Hilton in Chicago will be the setting for the 1962-63 NSP Convention, November 23 and 24.

Our four representatives will attend many different sections dealing with the various phases of newspaper work, such as, photo journalism and news, and feature writing. In these groups they will listen to talks given by such experienced and noted people as Orwill Schleben, executive editor of the Milwaukee Journal.

The INCRESCENT's advisor, Mr. Karwand, will also be there to teach the sections on advertising.

two years ago 6'9" Skip Thoren lead the "E-Rabs" in an 81-42 slaughtering of the Knights.

The Rockford boys will be no easy pickings for Beloit this year.

The E-Rabs have five boys on their varsity that are 6'4" or better, including a 6'7" sophomore Bill Stenbury and a 6'6" junior Dennis Blom.

Both East and Beloit have three senior letterman returning.

Eugene Robinson 6'5", George Rathkel 6'2", and Ron Carlson 6'1" from East will be going against Beloit's 6'4" Dave Crow, 5'8" Gerald Gunderson and 5'11" Jerry Kenney.

Bob Brown 6'4" and Jim Schmidt 6'3" are the two other probable starters for Beloit.

However, either Bill McGill or Jim Vance, who has been nursing a sore knee, could get the starting nod from Coach Barkin.

The Purple Knights have good height under the boards in Crow, Brown, and Schmidt. Kenney is a good rebounder for his size, and he gives the team good speed.

The Knights varsity consists of 9 seniors and 11 juniors compare with East's 15 seniors, one junior and 3 sophomores.

The Beloit seniors are as follows: Robert Brown 6'4", Dave Crow 6'4", Garry Entress 6'2", Gerald Gunderson 5'8", Gerald Kenney 5'11", Bill McGill 5'10", Alan Scott 5'6", James Schmidt 6'3", and James Vance 5'11'.

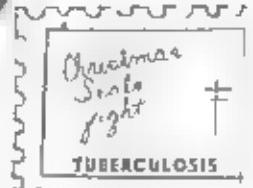

The juniors include the following: Don Elliott 5'9", Richard Heggland 6'4", James Jones 6'5", Dick Krull 5'6", Larry Long 5'2", Dan Martin 6'2", Douglas Mitchell 5'8".

Mark Moss 6'3", Walter Palubinski 6'1", Terry Schultz 5'8", and John Tobias 5'9".

CHORUS MEMBERS CAROLYN CHURCHES, Diane Hayward, Joanne Tremulis, John Sheahan, Mandy Smedstad, Mike Whiteford, and Sally Deale practice for the up-coming programs.

Joyful Christmas Sounds Invading Halls of BMHS

Sounds of Christmas are being heard more and more in the music department of our high school, where plans and rehearsals for the annual Christmas program are taking place. On December 19 the results of all this work will be presented in a Christmas Concert.

The largest musical organization in the high school, the choir, and the orchestra will be taking part in this concert under the direction of Mr. Henry DeBruyne.

This concert will feature the Christmas story told in song and in creative scenes put on by the drama students of Mrs. Reinholtz. Fourteen scenes picturing the Prophecy through the Adoration will be acted out by students in a special method using a "skim" curtain and lighting that creates special artistic effects.

Other songs varying from the ancient Plain Song to contemporary songs that are familiar to everyone will be presented in the program. The concert will be presented at 8PM in the high school auditorium, and the admission will be 50¢ for students and \$1.00 for adults.

An all-solo program will be put on by the choir and orchestra on December 21, during the last period of the day. The program will feature some new pieces to be concert.

Reinholtz Plans Spring Musical, KING AND I

The last performance of the senior class play signaled the start of tryouts for the musical, THE KING AND I, to be presented February 19 and 20. Three weeks of tryouts for the much coveted major parts brought the musical talent of our school.

The major parts, of the cast of approximately 90 students have been picked. Carol Guelzow captured the female lead of Anna. With Cheryl Kanter as Lady Thiang, Margie Rabe as Tuptim, Dwight Werle as the King, and John Sheahan in the role of Tuptim's lover, the cast promises a wonderful evening of entertainment.

Once again the stage crew will be very busy, since the play will involve eight different sets that have to be changed in the minimum amount of time.

Defending Champs Clash Tonight

Purgolders Threaten Knight's Record

Tonight the two defending Big Eight championship teams meet in the Fourth Street arena at 8:00 p.m. Beloit, so far, is undefeated in its bid to retain the conference championship with two wins and no losses.

Pupils Reiterate Plans For Yule Season Ahead

"Hey, Jean, how about a ride home?"

"Sure, Diane, get in!"

"Men, do you realize how many events there are planned from now through Christmas?"

"Yeah, Gee, tonight we'll be having a basketball game here with Madison East. Tomorrow night we go to Madison Central for a game."

"Jean, are you going to the Christmas Concert on the 19th, given by our vocal groups?"

"Yes, if I don't have any homework."

"I can't wait until the 21st. No school for two whole weeks. I get out of English last hour for the all-school Christmas assembly."

"That night we play Racine Park at Racine. I'm taking the bus. I wish I could drive. The day after, we play Racine Horlick here. I hope we slaughter them."

"Some of the gang are going to be on WREX-TV on the 22nd to put on a Christmas music program."

"The Sub-Deb is going to be really sharp this year. I asked Jim. It's the 29th, right?"

"Yeah! I asked Roger. I can't wait."

"Di one, how about going to the game with me on January 4th when we play Racine Horlick at Racine?"

"O.K. I'll drive. I got a date with Bill on the 5th when we play Rockford Harlem at Rockford."

The Madison East Purgolders have two wins and one loss in conference play. Madison East has good height and ball control but is slow in moving the ball down the court.

Probable starting lineup for the Purgolders will be the conference leading scorer, Jim Hackbart, and sophomore John Blood, guards; 6'6", Mike Hoffman

center and Rolfe Hackbart and Jim Peare, forwards.

Coach Barkin will probably stick with his usual starting five. Forwards, Dave Crow and Jim Schmidt; Center, Bob Brown; guards, Jim Vonce and Jerry Kenney.

The Knights fast break and quick offense should present rugged opposition to the Purgolders.

Debate Team Successful In District Tournament

Beloit passed the district tournament at Janesville Saturday, January 26. Beloit and six other schools had records of four wins or better out of six debates. Each school sends their best team and in hopes of moving on to the final tournament at Whitewater on February 9.

PTSA Open House To Be Held Feb. 5

Parents will attempt to negotiate our hours and sideways again next Tuesday, Jan. 30. It will be held from 7 to 9 p.m. in the PTA room. There, parents will visit various afternoon classes.

Mr. William Guelzow, PTSA president, and Mr. Everitt will begin the evening with a short welcome and coffee at 7 p.m. at 7:30 P.M. in the auditorium. At 8 p.m. they will journey through the school they will follow their child's afternoon class schedule.

Coffee will be available in the library for those having after period or a study hall in their schedule. Parents visited the morning classes at November 4.

On Jan. 26, the Beloit Debate team, Cindy Fritz and Charlotte Ross, on the negative represent BMHS. Alternatives were Bob Koch and Sandy Bainbridge. After this will come the state tournament on February 22 and 23 at Madison if we win on the ninth in the sectional tournament.

The debate season is almost over and the debate squad finished out to better than our record of 8 wins and 2 losses. This is the result of a long season and much hard work.

Debate season extends from the first few weeks of school in the fall to approximately the middle of January for the main body of the debate club. One of the most important parts of this season was the series of practice debate tournaments. These started off with a discussion tournament at Whitewater and a day of discussions and debates by the better debaters at Madison. Beloit was represented in this by Richard Androne. Then there were the actual debate tournaments. These were held in West Bend, Whitewater, Pius XI, Janesville, and Whitefish Bay High Schools. We also done in our own school this year.

DEBATERS AIM FOR SECTIONAL victory at Monroe Grove, February 9. Sandy Bainbridge, Cindy Fritz, Charlotte Ross, Bob Koch, Dick Androne, and Don Ewald prepare final arguments under the watchful eye of adviser, Mr. Whistler.

THE 31st ANNUAL MILITARY Ball may be the last, if the sun sets on BMHS' ROTC Corps.

"Old Glory" is Theme For Military Ball

probably be dropped from the curriculum next year.

Decorations and the menu of the ball both highlight "Old Glory." On display around the room will be famous American flags of history from the first thirteen star flag to the present day one. The dancing will take place under a canopy of red, white, and blue streamers.

Cagers Take On Kenosha Tonight

BMHS Students Will Participate In Mock Evacuation Test Soon

"All students are to leave the school at 2:15 PM and to be home within one hour." This almost unbelievable statement will be heard over the PA by BMHS students sometime between now and February 15.

Present plans, drawn up by the Beloit Public School Civil Defense Committee, call for a mock evacuation to determine if students can get home safely in case a real attack or emergency should occur.

Most pupils will report home and remain there for one hour. Those living more than three miles from the school and having no transportation will be directed to a shelter.

Among some of the honored guests for the evening will be members of the school board, Beloit school principals, retired army personnel, and former teachers. Parents of ROTC cadets and teachers are cordially invited to attend the dance or observe the activities from the gymnasium balcony.

During two intermissions at 9 and 10 p.m., an exhibition by the McNeal Drill Team and promotion and awards ceremony will be featured. A special award given will be the Chicago Tribune Award for a senior and junior who have attained high military merit. The Fisher Medal will be awarded to the highest Fisher scorer. Many promotions will also be announced at this time.

A special room will be available for parents who wish to take pictures of the ball participants. Tickets are still being sold for \$2.00 and all high school students are invited to attend. The Top Hatters will provide a lasting memory of the high school ROTC for many years to come.

Hines is a standout performer for the Red Devils and is one of the leading scorers in the conference while Benedict and Urbanskie are rough on the boards.

Kenosha boasts a recent win over Racine Park earned on the Panther home court and promises to give Beloit plenty of problems.

Higher Grades....

Report cards have once again been handed out and have by now passed their way into oblivion. The first pleasant surprises and bitter disappointments of the year have been received.

A few grades are still out, but as I stand before you, it is almost to have had good enough, but for the most part student have accepted the marks, and are back.

Now's come a tendency on the part of the students to shrug off their shoulders and an "I did my best" and more could be done just let me tell you some day that teacher looks like them to expect a mark.

Very few students will emerge from the grades through

out the next five weeks. At the end of the next grading period, marks will once again prepare to face the grade.

It seems to be an unwritten tradition of students to be apathetic about raising their grades. Even in "A" students there is room for improvement.

Recognize your own learning potential and credit yourself with top grades. They are easily yours, based on the system of evaluation, given a chart of your progress.

In this case, they don't reflect the calculation of your personal knowledge, but show what you've learned and points toward your ability to learn. Try to be a good student, and try to get marks that will last.

Students Uninformed...

"Name three countries in the U.S. that are China, Switzerland, and Texas," replied the social studies student.

Students such as this are the future basis of America. Sure, you do know it? I almost faint when I heard the answer.

Most of the questions asked by the social studies teachers are cut and dry, but even questions can bring such "novel" answers. In fact they don't receive any answers at all.

Even the simplest questions like, who are the candidates for the U.S. Senate from Wisconsin (the week after Governor Nelson spoke to the social studies classes)?, or who is James Meredith?, or who is Walter Schirra? the answer blanks remained blank.

I realize that newspapers and magazines are comparatively young mediums of communication -- compared to teachers and schools--but nevertheless reading isn't really that difficult, and I

think that maybe the students just don't read some things besides the "news" and the court news--ask your friends out themselves when you see them in school.

For instance, when you're history teacher it's natural, winter, in the books, know the President of the United States, know what Russia is, what the In tea. Not so does, and know what happened November 6.

Maybe by the time today's students are tomorrow's leaders, questions like who is Secretary General of the United Nations? won't be answered by "Andrea Gromyko".

A little white rooster stole the half-time show at the final game of the season. Strutting almost as proudly as the Beloit Memorial High School Band, he paraded around the field, back and forth, and finally under the stands where he was pursued by many spectators. A protective policeman rescued the performer and tossed him over the fence, a sadder, but wiser rooster.

Managing Editor M. Wieck Awarded Governor's Trophy

Marva Wieck, editor of the INCRESCENT, won the coveted Governor's Trophy on October 27.

She competed with about 100 other high school journalists around the state. The objective was to cover a press conference with Senator William Proxmire, of Wisconsin.

This press conference was one of the highlights of the 3rd annual Wisconsin High School Editors Conference at UW-Madison. The conference was held October 26-27.

were given only 30 minutes to write their stories to cover the press conference.

The conference was attended by about 830 students from all over the state. However, only one representative from each school was allowed to compete for the trophy.

Attending from Beloit Memorial High besides Marva were Dick Hayward, Ed Parker, Pat Benedict, Steve Raymer, Nancy Hanewall, Dave Crow, Dave Remmle, Sarah Strong, Linda Gjetson, and Pat Keller, along with INCRESCENT advisor E.C. Karwand and Raymond Schoenfeld, and BELOITER advisor Roger Lehman.

There were instruction sessions held throughout the day. Various aspects of newspaper and yearbook editing were highlighted in these sessions.

The conference was sponsored by the School of Journalism at the University of Wisconsin, with the cooperation of the Wisconsin Journalism Teacher-Adviser's Council.
